

To everyone in Redruth

Ideas, comments and contributions wanted!

Redruth Town Council have employed a Town Development Manager to help improve the town.

Promoting

This involves promoting good news stories, events and shouting about what the town has to offer its residents and its visitors.

Environment

We are also pushing forward projects to improve the environment in the town – such as the improvement of the Clotworthy's building, the derelict land at Station Hill/Penryn Street, the abandoned building on Chapel Street/Nettles Hill, and many others.

Retail

We also want to highlight the creative industries and local, independent retailers in the town, and attract more shops and services.
