

**Are you a landlord in Redruth  
with empty property or property  
which needs renovating?**

# **Healthy Homes Landlord Loan**

A Cornwall Council scheme offers to extend interest free loans to landlords to improve their properties. There is a small pot of money available and the loans are on a first come, first served basis. There are strings attached (such as restrictions about who the property may subsequently be let to).

Of particular interest is that loans are available for **empty properties above commercial premises**, of which we have a number in Redruth.

If you are interested in knowing more about the scheme, please contact Doreen Liddell, Team Support Officer, Healthy Homes Team (Mid), Cornwall Council, tel. 01726 223564.
