PART I – PUBLIC SESSION

- 1401.1 **To receive apologies for absence**
Cllrs Barnes, Brown, Biscoe, Mrs Biscoe and Garrick (other commitments).
- 1401.2 **Members to declare any disclosable pecuniary interests or non-registerable interests (including details thereof) in respect of any item(s) on this Agenda.**
None were declared.
- 1401.3 **To receive the minutes of the:**
- 1401.3.1 *Meeting of the Planning Committee Sub Group, Neighbourhood Planning held on 12th January 2021*
Unanimously RESOLVED to confirm the minutes of the Meeting of the Planning Committee Sub Group, Neighbourhood Planning held on 12th January 2021 as a true and accurate record of proceedings [Proposed Cllr Ms Reeve; Seconded Cllr Mrs Ellenbroek].
- 1401.3.2 *Meeting of the Planning Committee Sub Group, Neighbourhood Planning held on 23rd February 2021*
It was agreed that the minutes of the Meeting of the Planning Committee Sub Group, Neighbourhood Planning held on 23rd February 2021 were a true and accurate record of proceedings.
- 1401.4 **To receive an update on Funding and Technical Support:**
- 1401.4.1 *SEA & HRA Scoping Report*
The Project Manager advised that technical support for the Habitat Regulation Assessment had been granted from AECOM. She would update the Steering Group further after speaking to the consultant. AECOM had also started work on the SEA report

and had sent some advice which the Project Manager would incorporate into an updated draft of the Neighbourhood Plan prior to it being published. It was agreed to keep Tolgus, the Brewery site and Trengweath on the list for discussion. The Project Manager would circulate an email in relation to a conference call with AECOM.

1401.4.2 *Redruth Town Council budget*

Members were advised that £0 would remain in the Town Council budget at the end of the financial year, with an additional £5000 in the budget for 2021-2022. This would be sufficient to take the Plan forward to the next stage.

1401.4.3 *Locality Budget and planned grant return*

Approximately £3300 of the grant would be returned and available for reapplication.

1401.4.4 *HSHAZ funding support for consultation materials*

It was reported that the HSHAZ had grant funded the Town Council £2000 for public engagement equipment. It was agreed that Team Untangle would be paid £900 from that budget, rather than through the Locality budget. Other consultation materials would also be purchased in this way.

1401.5 **The Redruth Parish Historic Environmental Catalogue**

The Project Manager had attended a meeting with Historic England South West in relation to how best to set policy, use the catalogue work and pragmatically set how assets should be protected. Cllr Mrs Ellenbroek asked that Mr Jobson, and others from the Heritage Working Group who had put a huge amount of work into the catalogue, be included as this was taken forward into town centre and Brewery site discussions. It was agreed that there was a need to sift the information. Gratitude was expressed that Cornwall Council had acted quickly to secure funding for Redruth to be a pilot study area for English Heritage Local Asset Listing.

1401.6 **To discuss other consultations related to Redruth Neighbourhood Plan:**

1401.6.1 *Cornwall Council Climate Change DPD Pre-Submission Consultation*

The consultation was open until 16th April 2021. The Project Manager had prepared draft responses, which were discussed by the Group. She would revisit the draft in light of the comments made.

1401.6.2 *The draft Green Infrastructure Plan for the CPIR area*

The consultation was open until 23rd March 2021. The Project Manager had asked how many responses had been received and for any comment related to Redruth. She had also prepared a draft response on behalf of the Neighbourhood Plan. Cllr Ms Reeve expressed concerns that information in the plan relating to Gwealan Tops was incorrect and that they had not been consulted. She was advised that the Plan was written by, and the consultation run by, Cornwall Council. Whilst it was valid for Gwealan Tops to make comment, they should be speaking to Cornwall Council rather than the Neighbourhood Plan Steering Group. The Project Manager would contact Cornwall Council and ask if the consultation could be kept open considering the concerns from Gwealan Tops. She would also put an updated draft response on Basecamp.

1401.6.3 *Update on Redruth GP consultation*

Members were advised that there had been over 1000 responses to the survey. There was a need for more specific engagement about the changes and an online public meeting was proposed for 31st March 2021. Results would be shared with the Neighbourhood Plan and vice versa.

1401.7 **To discuss consultation:**

1401.7.1 *Go Live Date*

The consultation would go live at 2pm on 29th March 2021.

1401.7.2 *Draft Neighbourhood Plan document*

The Project Manager would update the document, creating a version 8. This would be the version published.

1401.7.3 *Map of Redruth showing what is going on in the area 2020-2030*

An updated version of the map was on Basecamp, incorporating comments made at the previous meeting of the Steering Group.

1401.7.4 *The promotion plan for Issues Consultation*

The consultation would have a soft launch, with physical promotion commencing after Easter. Social media promotion had started quietly and would increase, with posts being shared after Easter and an eye being kept on other sites for comments. The Project Manager would remind members about this nearer to the time. An electronic mail out would also occur after Easter, involving statutory consultees, interested parties and those previously involved with the process. Dates of Wednesday 28th April from 7-8pm and Tuesday 11th May from 7-8pm were set for Teams meetings sessions. Volunteers would be sought nearer to the sessions. There would also be a physical presence at the market on 1st May. Cllr Mrs Ellenbroek indicated that she would be happy to attend. Cllr Tremayne would provide the Project Manager with contact details for Gwealan Tops in order that a Neighbourhood Plan presence there could be discussed.

1401.7.5 *Hard copy version and printed questionnaire*

The Office Administrator had spoken to the Senior Library & Information Assistant in relation to the use of space and facilities by the Neighbourhood Plan. Guidance was still being awaited as to what service provision would look like as lockdown eased, however it had been advised that some display space could be available. The Office Administrator would put both parties directly in touch with each other.

1401.8 **The Go-Collaborate Platform (Testing)**

Mr Guy and Ms Sukstul joined the meeting at this point. Steering Group members had tested the platform and fed back any issues they had encountered. Mr Jobson would send to the Project Manager several spelling and grammar mistakes he had noted, however he advised that he was very impressed with the platform. Testing remained open until 5pm on 25th March to allow developers time to address concerns. Mr Guy would forward the poster graphic to the Project Manager.

1401.9 **To set the date for the next meeting of the Steering Group**

The next meeting of the Steering Group would take place on Tuesday 27th April at 6:30pm.

Chairman
