1404.6 **Reports from Members/Officers**

1404.6.1 *Community Projects Manager on her work to date*

A detailed report on the Community Project Managers (CPM) work since the last meeting had been circulated. The CPM had sent apologies for being unable to attend. Cllr Mrs Ellenbroek thanked the whole Events Team for providing publicity for the town. Referring to item 4.4 of the report, Cllr Mrs Ellenbroek asked if a local company could be used to purchase the 10 folding tables rather than a company found on the internet. She stated that the Town Council as a matter of principle should look to buy local first. The Town Clerk advised he would look at suitable local companies.

1404.6.2 Unanimously RESOLVED to purchase tables for use at the Monthly Markets which will be owned by Redruth Town Council and stored within the Market Hall area, using a local company if possible [Proposed Cllr Ms Reeve; Seconded Cllr Brown]

1404.6.3 *Update on the work of the Redruth Library and Information Service by the Library and Information Service Team Leader*

A report had been circulated to the members prior to the meeting.

Mr B and Mrs S Barber joined the meeting at this point.

The Library and Information Service Team Leader (LISTL) advised 1631 people had been through the doors of the Library during lockdown. The Library was following a "Roadmap to Recovery" giving a timescale of when which services would become available. Limited browsing had commenced, with 2 public access PC's available, and the service was now open on six days a week. The Summer Reading Challenge 2021 would have an environmental theme called "Wild World Heroes." It was planned to deliver the challenge on both digital platforms and in the traditional way to encourage families to reconnect with the Library. The Tourist Information Service was now a key part of the overall Information Service run by the Library, following the organisational review. Plans were in progress on how the service would be delivered. The LISTL further advised the report included a postcode breakdown of active library borrowers, as previously requested by Cllr Thomas. It showed an interesting split of borrowers using the service from other parishes including Illogan, Pool and St Day. Cllr Thomas stated the report highlighted the impact the Library Service had as it was used by all around Redruth. Cllr Mrs Ellenbroek advised the LISTL of a literary project she had become aware of aimed at the very young pre-school ages in the Camborne, Pool and Redruth area, and would forward details on. Cllr Thomas further advised it was ran by the National Literary Trust and they would be in contact. Cllr Mrs Davidson thanked the LISTL and the whole Library team for their work.

The LISTL left the meeting at this point.

1404.7 **To suspend Standing Orders to allow the public to speak**

1404.7.1 Unanimously RESOLVED to suspend Standing Orders to allow the public to speak [Proposed Cllr Mrs Davidson; Seconded Cllr Ms Reeve]

1404.8 To allow the public to put questions to the Committee relating to any items on this agenda

Mr Brian Barber introduced himself to the Members, and advised he wished to speak in support of the Grant Application being made by Redruth Rotary in his capacity as the Public Image Officer. Redruth Rotary were aiming to give every Key Stage II pupil in years 3-6 a copy of a Safeguarding reference book called "Watch Out! A child's guide to everyday dangers." The book had been created and produced by a small charity called "OK Our Kids", and the project had been adopted and supported by the Rotary Clubs. The Rotary were approaching Town and Parish Councils for Grant assistance for the project, and the books themselves cost £1 each. In Redruth, the aim was to deliver to the three schools in the area being Pennoweth, Treleigh and Trewirgie. It was estimated that nearly 1000 books would be required, which would include enough for the new intake in September and the teachers. Cllr Thomas asked if Mr Barber had been in touch with Cornwall Council regarding the project. Mr Barber confirmed the founders of the charity were in talks looking into Cornwall Council taking it on in the future. Cllr Thomas suggested Redruth Rotary contact Cornwall Fire and Rescue Service to ask if they could offer assistance. He further advised that after the May elections Cornwall Councillors would be able to offer support through their Community Chest allocation, which if he were to be elected, he would be happy to support them. Cllr Mrs Davidson thanked Mr and Mrs Barber for attending, and the Council would let them know of their decision in due course.

Mr and Mrs Barber left the meeting at this point.

1404.9 To reinstate Standing Orders

1404.9.1 Unanimously RESOLVED to reinstate Standing Orders [Proposed Cllr Mrs Davidson; Seconded Cllr Thomas]

1404.10 To consider requests for financial assistance

1404.10.1 Members consider and agreed financial request as per the schedule attached at Annex A.

1404.11 To thank Cllr Mrs Davidson

Cllr Ms Reeve paid tribute to Cllr Mrs Davidson, as after many years of service to Redruth Town Council she would not be standing at the forthcoming May elections and would be greatly missed. Cllr Thomas thanked Cllr Mrs Davidson for her impartiality and fair approach to all matters, and her outstanding service. Cllr Mrs Davidson thanked all of the Members for their good wishes, she had much enjoyed the past 14 years as a Councillor, and would still be involved in the town through her connections with Redruth Revival.

To: Peter Bennett (Town Clerk)

Hi Peter,

Further to Redruth Town Council granting us an award of £700 at your meeting on April 12th, towards the cost of the Watch Out books to be used in schools as an aid to supporting their safeguarding initiatives, I am pleased to report that we have delivered 782 books to your schools as follows:

Trewirgie – 422
Treleigh – 172
Pennyweth – 188

We have committed to the schools to further supply books to their new Year 3 intake in September. We estimate this to be around 200 books.

I can also confirm that we have completed Phase One of our project and delivered 3,878 books to 28 schools in our catchment area.

I attach for your records:

1. An invoice for 2,025 books, which included the 782 required for Redruth
2. A letter of thanks from the founders of OK Our Kids
3. A photo collage of the 28 schools we have delivered books to
4. A copy of the three certificates given to the schools

Thank you and your Councillors for supporting us in this project. Please contact me if you require any further information.

Best wishes,

Brian Barber
Redruth Rotary

To the wonderful organisations that provided Redruth Rotary with valuable funding so that they could purchase then distribute to schools our products, Lynn and I would like to thank you all from the bottom of our hearts. We have 2 AWESOME products in the "Watch Out" book and the "Mistakes and Ladders" board game.

Redruth Rotary have worked tirelessly in getting our products into schools. It is not just a case of throwing them at a school, they have to be asked if they want it and need it first so a lot of ground work had to be done.

Brian and his team have been successful in getting into ALL of their schools, a MAJOR achievement but a HUGE job.

Our products WILL empower young children. A very good example of how organisations value them is that both Buckinghamshire and Oxford County Councils have bought both products for the schools under their umbrella and are suggesting that the schools buy more copies as and when they can afford it.

It is ALL about "Prevention". Lynn and I know that our products WILL empower young children and save them from some harrowing experiences and guide them safely through to their teenage years.

Without the valuable funding that you have all provided, valuable resources would not get to young children, and in today's society, boy do they need them.

Thank you so much, you have just helped the WHOLE community.

Best wishes,
Tony and Lynn

REPORT FOR: Meeting of General Purposes Committee on Monday 7th June 2021

1.0 **SUBJECT OF REPORT: To update the committee on the work of the Engagement Officer**

2.0 **SUMMARY OF IMPLICATIONS**

- | | | | |
|----|-----------|---|-----|
| a. | Policy | - | No |
| b. | Financial | - | Yes |
| c. | Legal | - | No |

3.0 **TERMS OF REFERENCE**

3.1 To provide the committee with information of the work carried out by the Engagement Officer since the beginning of the contract of employment.

4.0 **REPORT**

4.1 **Staffing**

Since the last meeting and since commencing in my role, we have lost both the incumbent Marketing Assistant and Community Projects Manager. Recruitment is ongoing for the vacancies (3 in total) and we hope to have the roles filled soon so as to minimise the impact on marketing and engagement activity.

4.2 **Organisation of community events**

Dates for 2021

- Murdoch Day – Saturday 19th June 2021 (Cancelled)
- Redruth International Mining & pasty Festival – Saturday 19th September 2021 (see below)
- Redruth Fun Day – Sunday 20th September 2021 (see below)
- Redruth Christmas light switch on and parade – Saturday 27th November 2021

4.3 **Redruth International Mining & Pasty Festival**

I am recommending that the Redruth International Mining & Pasty Festival and the associated Fun Day is also cancelled for this year. There are two key reasons for this:

- 1) Despite the successful vaccination programme and a reduction in cases, it still feels like it would be too early to hold a large event in town where we can't control the numbers attending nor enforce social distancing measures. It is noteworthy that the Royal Cornwall Show that was postponed to September has now been cancelled altogether for 2021.
- 2) Due to the uncertainty of the situation, no planning has currently been undertaken for a festival and now the team is diminished, it would be very hard to plan a major festival from scratch.

As an alternative and so we can keep the idea of September being 'pasty month' in the minds of the public, we will plan to theme some activity around the September Redruth Market and also share again some of the content produced in previous years.

4.4 **Murdoch Day**

Although Murdoch Day is sadly cancelled again this year, I am planning to mark the day by posting some content on social media and reminding of the date for 2022. I am looking forward to seeing what ideas the new CPM might have to really bring Murdoch Day back with a bang next year.

4.5 Marketing of the Town Council's work

Update on our social media platforms:

- Redruth Town – 4388 (up by 54 from the last report)
- Mayor of Redruth – 338 (up by 8 from the last report)
- Visit Redruth Instagram – 1648 followers (up by 21 followers from the last report)
- Redruth Library – 621 (up by 30 from the last report)
- Redruth Town Council – 382 (up by 111 from the last report)
- Redruth Town Markets – 651 (up by 42 from the last report)
- Redruth Town Markets Instagram – 227 (up by 14 from the last report)
- Redruth Town YouTube – 43 subscribers (up by 3 from the last report)

The Visit Redruth Instagram account has been converted to a business account which allows for more posting options and better insights. It also means we can add paid-for content in due course if appropriate.

The Library team have been added back as admins on the Library & Information Service Facebook page and have been creating and scheduling content.

We have been updating all of our social media platforms with Covid-19 reopening information, community developments and good news stories. Here are some examples: -

4.6 Community Capacity building work

Nothing to report.

4.7 Partnership building

It is clear that there is an imperative for me to build relationships quickly with some of the key partners in the town. To that end I have:

- Met with the HZHAS Project Manager, been admitted on to the HSHAZ board and will be attending meetings going forward.
- Met with members of the Redruth Revival CIC at the May market and will attend their board meeting on 4th June
- Met with Redruth Chamber of Commerce
- Attended Safer Towns Redruth & Camborne meeting and will represent the Council at these meetings going forward

- Met with Charlotte Caldwell and we have discussed various initiatives. I will be attending future Community Network Panels and will lead the Youth Forum alongside my counterpart in Camborne
- Met the Engagement Officer at Camborne Town Council and we have agreed to explore ways to work together to the mutual benefit of both our towns
- Attended CPIR & Mining Villages Place Shaping board
- Begun reaching out to Councillors to arrange one-to-one meetings

4.8 **Covid-19 Redruth Mosaic Memory Wall**

The idea: to create a Covid-19 Memory Wall in a prominent place in the town as a way to commemorate residents' lost loved ones, remember the way the community came together or as a way to thank the NHS in a lasting and meaningful way.

Cornwall Entertainments has agreed to create the Mosaic Wall and print it on to a suitable display material free of charge.

Local residents would submit photos via social media that are a reflection on the time just experienced using agreed hashtags. The call out would last over the summer with a view to creating the wall in the autumn with installation timed to coincide with Christmas Lights switch on.

Option 1

Option 2

Considerations: a suitable location and ongoing maintenance costs

4.9 **Request for Friday Markets**

We have been approached by a local trader for permission to hold a weekly Friday market in the Market Hall from now until September.

Goods such as handmade cards, glassware, jewellery, knitting & crochet, framed pictures and paintings will be for sale.

Concerns regarding this request are:

- A weekly market is a lot for us to support given our staffing issues
- The impact it might have on the Redruth Revival markets (with whom I'm yet to discuss this with)
- The organisers – it seems like a loose collective of stallholders and we might find it hard to manage quality

Recommendation would be to consider, as a compromise, granting permission for a monthly market on a Friday that does not immediately proceed a Saturday Redruth Market day. If this is successful, the frequency could be increased to twice a month or even weekly next year.

4.10 **Library and Information Centre**

The Library and Information Centre is now open full time 9.30am to 5pm Monday to Friday and 10am to 1pm on Saturdays for limited browsing and click and collect only.

Plans are being finalised for full opening from June 21st (subject to government guidance) and the Library will be closed on Saturday 19th June to allow staff to reconfigure the space.

The Summer Reading Challenge is being promoted and it is hoped volunteers will be able to support the Challenge again this year.

4.11 **Any other task as directed by the Town Council or Town Clerk.**

The tenders for the new Visit Redruth website are now in and we are now in the process of selecting a preferred supplier. Please see the separate report.

A number of other projects had been started but not completed due to lockdown and staff changes so I am looking to pick those up again and bring them to completion.

I am also working up some new ideas that will be shared in due course.

4.12 **CONCLUSION**

As the Engagement Officer I have been working with accordance to the agreed roles and responsibilities for the position, in addition to continuing existing projects and developing other tasks as and where appropriate.

4.13 **RECOMMENDATION**

4.14 It is recommended that the Council agree to the cancellation of the Redruth International Mining and Pasty Festival for 2021.

4.15 It is recommended that the Council approve the idea of the permanent Mosaic Memory Wall pending confirmation of location and ongoing costs.

4.16 It is recommended that consideration is given to discussing a monthly market option with the local trader, pending a conversation with Redruth Revival.

4.17 That the remainder of the report is noted.

Grant requested from Redruth Town Council: £500

How do you know there is a local need for your project/activity? Please give recent evidence.

There is a huge positive impact on people who attend the events. From new art forms they have not been exposed to before, to perhaps their first social interaction with other like-minded in their entire life.

The work continues through social media, the legacy out lives the event through the stories which are re lived and documented. The event is filmed from start to finish and this is documented and also used as an archive.

To confirm, we are wanting to deliver this as part of the mental health and wellbeing recovery of the LGBTQ+ community and other marginalised communities here in Cornwall. As there is no dedicated provision for the LGBTQ+ community in Cornwall.

We will have many charities which support groups across (domestic violence, sexual health, homelessness, vulnerable people, young people, older people, disability, other marginalised groups) to outreach to people in the community, where many people haven't had access to these services before / a very long time.

Who and how many people in the Redruth Parish will benefit from your project/activity?

It is much more than "just an event" it can be the only safe place in which like minded people can safely come together.

Media interaction of the project is far reaching and we expect to have a visual presence and awareness of the project to at least half of the population of the town.

Physical interaction we hope to have a minimum of 100 people attend

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

Cornwall Pride has through the last financial year been instrumental in raising the profile of not only the company, but also the LGBTQ+ community and its needs. This has been done through several events, such as a Gala dinner and the worlds only travelling pride (Come Out for Cornwall Pride) where we, working with partners such as GWR, First Kernow, Intercom Trust, Safe Haven amongst others facilitated the joining of many LGBTQ+ communities within Cornwall, no matter where they live, to be part of Cornwall Pride and therefore challenging the stereotypes in the larger community as well as the opportunity celebrate who we are, who they are, and acceptance within the wider community.

We adapted this event from the year before and added another day and 8 more town stops.

This event was an incredible success seeing thousands of people take part not only on the two buses that toured the county, but also every place we travelled past. We held a mini pride event at each stop, enabling the LGBTQ+ and wider communities to be proud of who they are and celebrate together to promote acceptance and inclusion.

Our main event in August saw 3 events in one day. A parade to start the days activities where we had more people, organisations and groups join in than ever before, more than 2000 people take part in the parade with 20,000 people watching. This enabled the whole community LGBTQ+, wider community, local community and holiday community to unite with one main goal; acceptance, diversity and showing that Cornwall is a great place for whoever you are to work, live and visit.

This was followed by an afternoon event called "Rainbow Fest", a free event where everyone was welcomed, continuing the theme of acceptance. We facilitate support groups, organisations, whilst listening to live music and being free to express themselves whilst doing so. With more than 12,000 people who attended throughout the day.

Our next event was a ticketed, over 18's evening called "Moonbow Party" supporting the community as the only opportunity to have a LGBTQ+ safe evening space in Cornwall.

Throughout the year not only have Cornwall Pride CIC been working towards a better Cornwall for LGBTQ+ communities, but also for any community to feel welcomed. We have don't this through many partnerships which we have formed. GWR, The Eden Project, Biffa, Santander, Devon and Cornwall Police and many more. We were also instrumental in providing and online platform for people within both the LGBTQ+ and wider community to come together on social media to extend the reach of Cornwall Pride for Cornwall and its values. This social media reach has now extended throughout the world and particularly through the UK where in recent months has seen hate crime and the rise, enabling us to provide a safe "on line" space for avenues to gain support if required. We achieved a social reach of more than 2 million people in the financial year.
