Good afternoon Peter, as discussed this morning; Could you kindly test the water at next month's Town Council Meeting, with regards to a marked police parking bay in a prominent position within the town centre. Alma Place towards the town, Green Lane, the Fore Street end or the lower part of Higher Fore Street near the public houses would in my view be suitable locations. I'm aware Truro have marked Police bays within the city centre. I'm more than happy to drop into the meeting to answer any questions the Town Council may have around the benefits of any such provision. For your consideration John Thorne.

Sgt, Dani, Stu, for your information. J.T.

The venue for this meeting will be Cornwall College, Pool with tea and cake on arrival at 5:45pm until 6:00pm when the meeting will commence. The focus of the meeting will now be a review and reflection on achievements and projects to date and we will of course have our standing agenda items which will be Speakers Corner, Climate Change Action Group update and also Chairman's words to conclude. This will be my last Community Network Panel meeting before I leave Cornwall Council. It would be great to see as many people there as possible.

- The Community Chest fund's deadline was 18 February, and we are busy closing down the grants and appraising final applications which are coming in, so please be quick if you have any final applications in this round.
- I have recently attended the Redruth HAZ Cultural Consortium and have sat on the grants panel for the Redruth Unlimited grants. I am also attending the HAZ Board meetings.
- I recently met with staff at Kresen Kernow and have invited them to present under Speakers Corner on their CLLD project which is supporting individuals with skills development.
- I attended the Police Liaison Group on 21 February and the topic that came up from those in attendance was the desire to see more visibility of the police and attendance at town and parish council meetings.

## REDRUTH TOWN COUNCIL

### REPORT FOR: Meeting of the Council 28<sup>th</sup> February 2022

---

#### 1.0 **SUBJECT OF REPORT: Town Mayor's Announcements**

---

#### 2.0 **SUMMARY OF IMPLICATIONS**

- a. Policy - No
- b. Financial - No
- c. Legal - No

#### 3.0 **TERMS OF REFERENCE**

3.1 Please see below a report from the Town Mayor on his activities since the last meeting.

#### 4.0 **REPORT**

##### 4.1 *Introduction*

Good evening, all. It's been another very quiet month, with only one engagement, but we have at least some good news.

##### 4.2 *COVID Rules*

As you are aware, the law on isolation when positive with COVID-19 ended on Thursday. Staff will continue to be supported with working flexibly from home where appropriate, so please be mindful that they may not be as accessible as we are used to at this time.

##### 4.3 *Staffing Levels*

Recruitment has been underway for a new Admin and Finance Manager to fill the vacancy left by Abi having agreed to take on the role of Operations and Facilities Officer. I am delighted to report that on this occasion we had a very successful campaign with six quality candidates being interviewed for the post. Mr Steve Treloar has been appointed and will commence employment with us on 4<sup>th</sup> March. Of course, there remains a gap in the Admin team with a further Admin Assistant, so again please be aware of Abi and Claire's time commitments, particularly whilst our new AFM is brought up to speed.

##### 4.3 *Climate Action Group*

After a break, the Climate group met again on Monday 7<sup>th</sup>, and we have some additional actions to take forward. Whilst we have not been successful in recruiting a student to conduct a formal carbon audit for the parish, our details have been sent to a new cohort, and we are hopeful that we will be able to get someone this time, although we are looking at alternatives. All of this is in aid of our pledges agreed as a Council to tackle the Climate Emergency.

##### 4.4 *Active Plus – Positive People*

I am expecting at the time of writing to have again attended the Positive People certificate ceremony at the end of their latest six-week course to build confidence and improve employability. This is always an absolute pleasure to attend, and I'm sure last weeks was no different.

#### 5.0 **RECOMMENDATIONS**

5.1 It is recommended that the rest of this report should be noted.

## **Highways Issues in Fore Street**

The following issues have been passed to me by the local Highways Manager which he wishes to bring to your attention:

*Black Granite in Fore Street* – the black granite in the pedestrian area of Fore Street is causing a number of slips, particularly when wet. This type of granite would not be allowed under current regulations and is very difficult to fix without replacing them. Clearly, this would be a costly exercise with Highways not content with either leaving them in place or replacing them. They will continue to ensure that they are regularly cleaned and monitor the situation.

*Trees in Fore Street* – you will be aware of the trees in and around Fore Street. They have decorative rings around the base of the trees to level with the highway. The tree roots are causing some to lift, and others are cutting into the trees. There will be a programme over the coming weeks months to have them removed – we have been offered use of these rings, but have nowhere to use them.

Mr Moyle spoke as the applicant in relation to PA21/11130. He advised that further information had been sent to his Planning Caseworker, but the portal had not yet been updated. He referenced the original planning application for the property in 2010, which stipulated that it was not to be used other than for purposes ancillary to the residential use of 20 North Street, to ensure that it was not used unlawfully as a separate unit of accommodation on a site where dwellings would not normally be permitted. A precedent was cited by Mr Moyle in relation to other properties, which had since been converted into dwellings in the local area. Cllr Barnes asked whether the property would be for sale or rent and was advised that it would be for sale. Cllr Tremayne enquired as to whether the neighbouring property at 21a North Street referred to by Mr Moyle was a residential or commercial premises. It was confirmed to be commercial. Cllr Ellenbroek referenced concerns raised by the Neighbourhood Plan in relation to the building of dwellings in the gardens of existing properties. Mr Moyle responded that he had spoken to Cornwall Council Planning, and they confirmed that this would not be applicable in this case.
