3.0 **REPORT**

3.1 *Ukraine Refugees*

I am the Cabinet member appointed to sit on the working party looking at how we support sponsors and refugees. Work is going on at pace, and officers are working hard to inspect offered accommodation and also to ensure DBS checks are done.

Partners working together include Cornwall Council, Volunteer Cornwall, NHS, DWP, Adult Education and others

The dedicated mailbox is working well, and I would ask anyone with any queries to use it homesforukraine@cornwall.gov.uk

Welcome packs are in place, and support is available both for the sponsors and the refugees.

Children are now starting to attend education and providers are being given grants from the Government to support these young people.

There have been many offers of employment from local firms, which is also excellent news.

Although relatively few have arrived in Cornwall so far, we know that this will increase soon.

3.2 *Passmore Edwards Library*

I have been working with the prospective new owners and am pleased to report that work is continuing to iron out the last legal issues, and it is hoped that it will be open in the next month or so. We will all welcome seeing this building brought back into use as a Community facility, and I must congratulate Josh and Felix for their commitment to this iconic piece of Redruth

3.3 *Expo*

This was superbly organised by Charlotte and Rachel. I attended the launch event as well as the events at Camborne and Redruth and was delighted to hear such positive feedback. This is something that I think that we should do again, possibly in 2 years' time. Thanks too to Redruth 2000 (Murdoch House) for allowing Charlotte to apply for Lottery money to put on the exhibition too.

3.4 *CPIR Derelict sites*

There has been a lot of disquiet over a number of years within the Community Network about the many derelict sites that we have. On Wednesday 20th April there is a meeting with the Economic Development Team about some 30 sites that have been identified by local councillors as long term "blots" on our landscape. I will give a verbal update at the meeting

on Monday about what progress has been made. As far as Redruth is concerned the major ones are:

Bottom of Station Hill

Clotworthys

Bonded Warehouse

Brewery site

Chymbbla House

Winklow building

There could have been more, but these were the most significant

3.5 Charlottes Farewell Party

Held at Chacewater Village Hall it was great to see people there, and Charlotte was overwhelmed. We shall miss her; however we have a great new CLO in Vanessa Luckwell, and I look forward to working with her.

REPORT FOR: Meeting of the Council 25th April 2022

1.0 **SUBJECT OF REPORT: Town Mayor's Announcements**

2.0 **SUMMARY OF IMPLICATIONS**

- | | | | |
|----|-----------|---|----|
| a. | Policy | - | No |
| b. | Financial | - | No |
| c. | Legal | - | No |

3.0 **TERMS OF REFERENCE**

- 3.1 Please see below a report from the Town Mayor on his activities since the last meeting.

4.0 **REPORT**

4.1 Introduction

Good evening, and welcome to the final Full Council of the Civic Year. It has certainly been an interesting one, but I'm looking forward to the excitement that May brings in the Mayor-picking of the other towns, of which I will update you all in May.

4.2 Generation Expo

On April 1st, I attended the opening of the Generation Expo at Cornwall College. The event was very well attended, and it was lovely to engage with so many young people on what was happening in Redruth. I extend my thanks to Redruth 2000, who secured the grant funding for the foldable stands that supported the event, and will be re-used as a lasting reminder.

The whole projects was, of course, the brainchild of our former CLO, Charlotte Caldwell, and I'm sure that everyone who was in attendance will agree that the Expo will stand as a lasting testament to her legacy of service, both to Cornwall Council, and to our community.

4.3 Active Plus – Positive People

On Thursday 14th I again attended the end of course session for the Positive People project, ran by Active Plus. The projects works to build confidence and teamwork skills amongst unemployed people with varying additional concerns, giving them the ability to re-join the job market.

I know I repeat it each time, but this is truly one of my favourite engagements whenever it happens, as it is what it says; positive. I believe this was my fifth session, and each time I've been really impressed by the progress made by each participant. It was made more special this time by a former participant who now works as a facilitator, and seeing that journey first-hand was truly inspirational.

4.4 New Community Link Officer

I'd like to welcome Vanessa Luckwell as our new CLO, taking over from Charlotte. Peter and I are due to meet with her to discuss her input to our meetings, and how we best engage with her in the new remit these officers hold at Cornwall Council, and I hope to welcome her to a meeting in due course.

4.5 *End of year*

As noted, it's the end of the civic year, with the AGM to be held in May, so I just wanted to take a moment to thank everyone, Councillors and staff alike, for the support you have given me over the past 11 months. It's certainly been curious coming out of the world of COVID that we've been living in, and having only limited engagements to attend, but what I have had the opportunity to do has been enjoyable, and I hope that I have reflected the town well, and been of service to this Council.

5.0 **RECOMMENDATIONS**

5.1 It is recommended that the rest of this report should be noted.

Dear Sir / Madam,

I am writing to introduce myself as the Community Fundraising Manager for Citizens Advice Cornwall.

We are a charity - a fact that many people do not realise - raising money in Cornwall to support the people of Cornwall.

As you are a local council, would you be willing to support us so that we can continue to help people across Cornwall, including those in your area? Whether it is helping us spread the word about what we do, volunteering at our events or just by making a donation.

As I am sure you are aware, the last two years have been difficult for charities. We are now looking forward and preparing some great events for the year, but we are a small team with a big target so any help is always appreciated.

The pandemic has had an effect on us all and our services are even more important now than they have ever been.

Citizens Advice Cornwall provides free, independent and confidential advice on a wide range of subjects for everyone in the community. Our vital services include advice on benefits, debt, housing, relationship issues, employment and redundancy, consumer, legal issues and more.

Last year we helped almost 9,000 people in Cornwall and the Isles of Scilly writing-off debt worth a total of £1.8 million and gaining income worth £5.3 million. If you would like to find out more, please visit our website citizensadvicecornwall.org.uk, or for more information on

Evictions—how to keep a roof over your head

Cornwall is facing a housing crisis as more and more people lose their homes and can't find anywhere affordable to rent. At Citizens Advice, our specialist housing team has been busy helping those facing eviction, giving them the best chance of keeping a roof over their head. Here CA's housing experts share their top tips:

Council and Housing Association tenants and homeowners with a mortgage:

If you start to struggle with rent or mortgage payments, don't wait until it becomes a problem – contact your landlord or bank and explain what the problem is – they have to follow rules to try to help you to sort out the problems if possible. Taking you to court for repossession has to be a last resort.

If you are accused of anti-social behaviour, be honest with yourself—what can you do to change. Apologise and demonstrate that you can be a good neighbour. If someone is winding you up, don't threaten them, it will only make things worse. Walk away and report them. If there are two sides to the argument your landlord must investigate and act fairly.

If your landlord or bank contacts you about any problems, don't ignore it. Get advice and respond to them positively to try to sort the problems out.

Private tenants

Your landlord can evict you without a reason, so it's best to stay in their good books. If you're struggling to pay rent, let your landlord know and that you're trying to do something about it. Get advice – you may be able to increase your income, reduce your spending and negotiate payment off any arrears.

Don't stop paying rent – we see a lot of cases in court where people have stopped paying because they think it will make the landlord do repairs – it won't, it will just get you evicted. If you have a repair problem your landlord won't deal with, report it to the Private Sector Team at Cornwall Council psh@cornwall.gov.uk

If you don't think you will be able to stay, you should start looking for a new home as soon as possible, don't leave it to the last minute.

(If you need free, confidential help from our experts at Citizens Advice, text the word ADVICE to 78866 and we'll call you back within 48 hours (excluding weekends)).

Stories from the Frontline

Our Advisers deal with all sorts of issues day-to-day. While some are straightforward and take just a phone call to sort, others can take months of detailed work. Here's Rob's story:

Rob was referred to our Mhend (mental health) team of specialist advisers by Pentreath, an organisation working with people with severe mental health issues.

He was homeless and living in a van with his teenage son following a fire at their home which had destroyed most of their belongings. He had recently been released from prison and the house had been temporary accommodation.

In addition to mental health issues, Rob suffers respiratory problems, anxiety and emphysema. He is on strong medication causing severe side effects and is reliant on benefits. He needed foodbank vouchers, was struggling to pay for electricity and had very little suitable winter clothing or bedding because of the fire. He had debts of around £22,000.

Although he had now been found temporary housing, he was still facing difficulties with his energy bills.

Our advisers helped Rob claim support from the Watercare Tariff – a £200 saving. We advised him how he could use his heating controls effectively on night storage to save energy and money. Our debt advisers found deductions were being made from his Tax Credits because of an overpayment. His tax credits were stopped while he was in prison and he was unaware of the deductions. He has been made aware of his right to challenge these.

Because of his ill health, he was advised he could apply for Personal Independence Payments, a benefit for people with long term disabilities, and helped him apply for small energy grants for LED bulbs and curtains.

Our adviser helped him access trauma counselling which gave him the confidence to report historic abuse he suffered to the police, which is now being investigated.

Our debt team helped him successfully apply for a Debt Relief Order, clearing all his known debts and we were able to help Rob save around £9,540 through benefits, grants and appeals.

Through detailed team working between our debt, energy, mental health and general advice teams, Rob is now rebuilding his life with his son. He has been reassured he can come back to Citizens Advice if he feels his situation is getting out of control again.

Energy Saving Q&A

Citizens Advice and Energy Saving Trust offer tips amid the cost of living crisis

Citizens Advice and Energy Saving Trust have teamed up to explain what steps people can take to save money and what support is available to anyone who is struggling. While these steps won't be enough to cover the widely anticipated steep rise in bills that many people will face, they could make a small difference.

My energy supplier collapsed last year - has this made a difference to my bills?

The rise in wholesale prices led to a lot of suppliers going bust. If you're one of the millions of customers affected, Ofgem will have moved your account to a new supplier. It's likely you were put on a Standard Variable Tariff, which could be more expensive than the tariff you were on with your previous provider.

Is there anything I can do to save money on energy?

There are some simple things you can do to save some money on your energy bills. They won't cover all the extra costs, but they can make a difference:

Check your thermostat: Turning your thermostat down by just one degree can save you around £65 a year. Only lower it to a temperature you feel comfortable at - as a guide, many people find this is between 18-21 degrees.

Keep the heat in: Check your home for any gaps in the doors, windows and floors. Blocking any holes where you could get a draught could save you around £30 a year. If you're renting, ask your landlord to ensure your home has good insulation.

Turn off anything you're not using: Turning your appliances, like TVs and washing machines, off instead of leaving them on standby could save around £40 a year. Turning off lights when you're not using them - even if it's just off for a few seconds - could save £14 a year. Consider using LED lightbulbs, which cost less to run.

Watch your water usage: Cutting your shower time by just one minute can make a difference. If everyone in a four-person household with a water meter did this, you could save £45 a year.

What support can I get?

The first step is to call your supplier and ask them if they offer any grants to help with your energy bills.

Even if you're not eligible for grants, suppliers still need to support you to manage your payments based on what you can afford. Depending on your circumstances, they may also offer you a referral for independent debt support or energy advice. They may also be able to offer you temporary credit for your prepay meter that you'll need to repay.

Hey Peter

Thank you for getting back to us, the 23k is the the inkind costs included, the 12k is the financial implication of putting on the events.

The 2k application is directly for Redruth to support with, it is important for us to share we understand the other priorities within each towns, but wanted to be transparent with all Town councils that this is the cost and this is the same application going forward to all towns.

As an aside, Watson Marlow are shortly to be announced as one of our main partners for Cornwall Pride 2022 and we have shared out their financial contribution towards each of the towns.

The last £500 is an error on my part of the application, I will send over an edited version thank you for picking this up.

We are really looking forward to bringing a full Pride to the heart of Redruth!

Matthew

Hi Matthew

Just looking at your application before it is considered at next week's meeting and a couple of queries if I may:

Can you confirm whether the cost of £23k is for all events or just the Redruth event?

In relation to that you have only shown Redruth Town Council as a contributor, and no other Town Councils/BIDS etc – hopefully your previous answer will show why, yet Watson Marlow of Falmouth are shown against potentially a Redruth only event?

In the sources of funding you indicated Redruth Town Council £2000, yet you are requesting a sum of £500 towards the event – can you confirm which amount is correct please?

Many thanks.

Hey Abigail, Peter & Redruth

I want to say a huge thank you from the community for your support last year, it was an incredible bus tour and Cornwall Pride to be with you. I understand we are still feeling those challenges this year and we want to build a project to support the communities!

I know this is not a normal process, I wanted to share that we are actively seeking the same level of funding from each town for transparency. We are acutely aware that there are different budgets and different priorities but want to say thank you for taking your time to review the funding application and ongoing support to the communities.

Grant requested from Redruth Town Council: £500

How do you know there is a local need for your project/activity? Please give recent evidence.

There is a huge positive impact on people who attend the events. From new art forms they have not experienced before, to perhaps their first social interaction with other like-minded in their entire life.

The work continues through social media, the legacy out lives the event through the stories which are re lived and documented. The event is filmed from start to finish and this is documented and also used as an archive.

To confirm, we are wanting to deliver this as part of the mental health and wellbeing recovery of the LGBTQ+ community and other marginalised communities here in Cornwall. As there is no dedicated provision for the LGBTQ+ community in Cornwall. We will have many charities which support groups across (domestic violence, sexual health, homelessness, vulnerable people, young people, older people, disability, other marginalised groups) to outreach to people in the community, where many people haven't had access to these services before in a face-to-face space.

It is much more than "just an event" it can be the only safe place in which likeminded people can safely come together

Who and how many people in the Redruth Parish will benefit from your project/activity?

It is much more than "just an event" it can be the only safe place in which like minded people can safely come together.

The media interaction of the project is far reaching and we expect to have a visual presence and awareness of the project to at least half of the population of the town and surrounding areas.

Physical interaction we hope to have a minimum of 2000 attending with at least 6000 in footfall

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

With little to no income we have partnered with organisations to support with online quizzes, online meet up rooms for the LGBTQ+ community to create a safe space & multiple online larger engagement events.

Cornwall Pride has through the last financial year been instrumental in raising the profile of the LGBTQ+ community and its needs within Cornwall. Due to Covid pandemic, this has been done through several online events, such as a Isolation Idol, the first online musician competition in Cornwall dedicated to the LGBTQ+ bringing 50,000 people together online over a 5 week period. Where we, worked with partners such as GWR, GMB, First Kernow, Intercom Trust, Safe Haven amongst others facilitated the joining of many LGBTQ+ communities within Cornwall, no matter where they live, to be part of Cornwall Pride and therefore challenging the stereotypes in the larger community as well as the opportunity celebrate who we are, who they are, and acceptance within the wider community.

With the support of JJA & Impact Light and Sound we also created a traveling Cornwall Pride Unleashed across 20 destinations to be able to showcase Cornwall whilst also bringing together the LGBTQ+ community through our online platforms reaching in access of 100,000 people. Enabling the LGBTQ+ and wider communities to be proud of who they are and celebrate together to promote acceptance and inclusion.

We were not able to deliver our main event in August, instead we partnered with the Cornwall Chanel and broadcast with multiple partners Pride online. With a direct reach of a further 100,000 people. This enabled the whole community LGBTQ+, wider community, local community and holiday community to unite with one main goal; acceptance, diversity and showing that Cornwall is a great place for whoever you are to work, live and visit.

Throughout the year not only have Cornwall Pride CIC been working towards a better Cornwall for LGBTQ+ communities, but also for any community to feel welcomed. We have don't this through many partnerships which we have formed. GWR, The Eden Project, Biffa, Santander, Devon and Cornwall Police and many more. We were also instrumental in providing and online platform for people within both the LGBTQ+ and wider community to come together on social media to extend the reach of Cornwall Pride for Cornwall and its values. This social media reach has now extended throughout the world and particularly through the UK where in recent months has seen hate crime and the rise, enabling us to provide a safe "on line" space for avenues to gain support if required. We achieved a social reach of more than 2 million people in the financial year.

Please describe the purpose of your organisation and how it benefits communities in the Redruth parish:

We aim to create the largest and most influential international Male Choir Festival in Britain and Europe in order to maintain and extend male voice singing as an important aspect of Cornwall's cultural heritage;

To increase the membership particularly of younger male singers and introduce an educational aspect into the Festival programme to achieve this;

To encourage composers in Cornwall, the UK and overseas to write new works for male choirs;

To advance, promote, develop and maintain public education in, and appreciation of, the art and science of male voice singing in all its aspects, particularly, but not exclusively through the holding of an international festival.

Male Voice Choir singing is deep in the culture of Cornwall having roots in Methodism, mining, fishing and agriculture. Male voice concerts in the Camborne area are always well attended and local male choirs recruit well from the area.

We have a gala concert in Redruth St. Andrews Church hosted by Four Lanes Male Choir. Performing will be 114 choristers from Four Lanes MC, Raddbandafélag Reykjavíkur, Barnstaple Male Voice Choir, and Weybridge MVC.

DETAILS OF THE PROJECT/ACTIVITY

Give brief details of the project for which the Grant Application is being made (Please complete this section even if you have included full details of the scheme elsewhere)

We will hold the festival over weekend beginning 28th April and ending on the 2nd May 2022. We have a gala concert in Redruth St. Andrews Church hosted by Four Lanes Male Choir. Performing will be 114 choristers from Four Lanes MC, Raddbandafélag Reykjavíkur, Barnstaple Male Voice Choir, and Weybridge MVC. At capacity the audience will be 186.

The project to host each festival starts in the months following the last one so the planning and development of this event began in the summer of 2019.

We take great care over our decision balancing the financial realities with our charitable purposes and desires but there is always an element of risk. That was compounded when halfway through this festival cycle Covid struck.

In the intervening year we hold a composers' competition.

Grant requested from Redruth Town Council:

£250.

(Our finances have been severely challenged by the pandemic and our having to postpone the 2021 festival, so please consider increasing this if you are able.)

How do you know there is a local need for your project/activity? Please give recent evidence.

We have been successfully running the festival since 2003 and following our feedback sessions we know that there is definitely a need in Redruth for this activity.

Who and how many people in the Redruth Parish will benefit from your project/activity?

The Church has a capacity of 300. Adding Four Lanes themselves to a capacity audience gives a total of 223 locals who are likely to come along on the night.

How long have you been fundraising for this particular project?

We have been working towards this festival since taking the decision in July 2019 to hold another festival. This is an ongoing process. We take great care over our decision balancing the financial realities with our charitable purposes

and desires but there is always an element of risk. That was compounded when halfway through this festival cycle Covid struck.

Have you applied for a grant from Redruth Town Council before? If so, when did you apply and how much were you awarded?

We were successful in our applications in 2017 and 2019 and were very grateful to receive £250. Thank you!

Please attach your last set of annual accounts to this application. If you are unable to provide this information, please tell us why

Please write here anything else you wish to say about your application:

Grant funding is a big part of our income and is absolutely vital to us surviving from one festival to the next.

By postponing for a year we have had significant additional expense running the organisation, but with very limited income. We have applied for £250, but would very much welcome any more that you believe is appropriate given the circumstances.

Please describe the purpose of your organisation and how it benefits communities in the Redruth parish:

We will turn the vacant library building, cherished by the people of Redruth, into a thriving rehearsal, training, education, residency, project and co-working space, including a community cafe, kitchen and performance space. In the long term this space will host a festival every two years that celebrates both the inherent beauty and creativity of Cornwall but also brings international artists to Cornwall to respond to the culture and environment.

The space we create will pilot a new way of working creatively alongside an active and engaged community nurturing and nourishing those of all ages and abilities to express themselves and their talents no matter what their background. Our space will have a significant commitment building the local economy and incubating small businesses while reducing our environmental impact. This meets the following aims of the Cornwall Creative Manifesto (2021 - 2025).

- For our communities
- For evolving ways of working
- For creative talents
- For inclusivity and sustainability

This plan also meets many of the core aims and objectives of the Redruth Neighbourhood Plan (2010-2030) including

- Safeguard and conserve the historic environment and heritage assets
- To deliver a tourism offer focused on the town's heritage assets
- To raise the quantity and quality of employment opportunities
- Encourage and support employment that is locally based, sustainable and diverse including health and education
- Establish Redruth as a location to develop Cornwall's cultural industries

DETAILS OF THE PROJECT/ACTIVITY

Give brief details of the project for which the Grant Application is being made (Please complete this section even if you have included full details of the scheme elsewhere)

Murdoch Day Event - 2pm - 5pm - 18th June 2022

On the 18th of June, Redruth celebrates its most famous citizen William Murdoch, the inventor of the oscillating cylinder steam engine and gas lighting. Murdoch's innovation and forward thinking thrust Redruth into the forefront of the industrial revolution.

We are planning an event on Murdoch Day which will celebrate the changing use of the Library and its preservation for the use of the community. This celebration will help us introduce our aims to the people of Redruth and the type and range of activities we hope to host. We will also use this opportunity to engage families, residents and the people of Redruth with creative activities which will help us co-design a manifesto for the Library. With the backing of English Heritage we will be organising various speeches to celebrate the Library and its new purpose.

This Murdoch day also marks a moment of innovation for the town, as the Old Redruth Library inaugurated by Passmore Edwards in 1895 becomes [To be confirmed], a space to capture stories of Cornwall through art, performance and music.

Join us on the 18th of June for a day of activism, radical thinking and community co-design help us to pull the hoardings from the sides of the building, daub them with graffiti to represent the beginning of a new era with Cosmic the graffiti artist, design the logo and name of the building with Tony Minion and Caroline, capture your stories of the Library and Redruth with Writers Block, record your testimonies to be brought into the new Redruth Reading Room which exists online and in real life with students from Western Washington University. We will also be joined by a Food Truck and two local Bands to enliven the festivities, we will also invite Redruth Town Band to play a funeral dirge while we take down the hoardings in the style of a New Orleans Funeral.

To round off the day hear speeches on innovation from George Eustace MP, Owain-Lloyd Jones Heritage England, Cllr Barbara Ellenbroek, Selina Papa from Heritage Lottery Fund, Deborah Lamb from Historic England, Tamsin Daniel from Cornwall Council, Felix and Josh from RIFT, Clint and Karen from Pendynas and Nema Hart from Arts Council England.

Working with Penwith College, English Heritage and Redruth Town Council we will be launching a crowd-funding campaign to mobilise the community of Redruth and beyond in ways they can support the running of building both financially and through volunteering and participation opportunities.

Together we will form a manifesto for a new way to create and share stories, one that is community co-created, radical and innovative in the spirit of Passmore Edwards and William Murdoch but for a Cornwall in the 21st Century.

How do you know there is a local need for your project/activity? Please give recent evidence.

As part of our Destination Redruth consultancy work we have been specifically engaging with a broad cross section of the population of Redruth, to gauge their perspectives on the town's existing festivals and venues, and to try and better understand what is working well and where there are gaps in the provision.

Murdoch Day has been repeatedly identified as the festival most in need of reinvigorating. Although it has been described as 'joyous' and 'real Redruth' it has also been repeatedly described as 'shabby', 'sad' and 'in need of rebranding'. The sense is that at its core there should be a focus on 'creativity and innovation', but that this is currently 'untapped potential', 'lacking a real sense of identity' and perhaps the focus is 'too regressive rather than innovative'. This was especially clear from the Youth Council who responded to this festival in by far the least positive manner. The 15 young people engaged with all wanted to see more interactive activities for their age group (11-14) and had no real sense of who or why Murdoch was being celebrated. Their vision to rectify this was for Murdoch day to reposition itself as a 'celebration of innovation' with a focus on 'parades, activities and green technology'.

We want to engage the diverse families and communities of Redruth, including those with existing relationships to the library, which was much loved by those using it. We have chosen Murdoch Day as the town will be alive with people from across Cornwall celebrating Redruth.

Who and how many people in the Redruth Parish will benefit from your project/activity?

This will benefit 300 people who will take part in the activities in the Redruth Parish as part of the Murdoch Day celebrations. We hope that everyone that visits Redruth to take part in Murdoch Day will be able to benefit from the activities and enjoy them.
