The Town Council at its Annual General Meeting is required by statute to elect a Chairman of the Council (who is entitled to use the title "Town Mayor"). The Council may, but is not required, to elect a Vice-Chairman (Deputy Town Mayor) at the Annual General Meeting. It has been the practice of this Council to nominate a Town Mayor and Deputy Town Mayor in advance of the Annual General Meeting to enable continuity and a smoother transition. These nominations have no standing in law and do not bind the Annual General Meeting, but will enable civic planning for the coming year. The Council is therefore requested to nominate a Town Mayor and Deputy Town Mayor for the forthcoming 2020-2021 municipal year.

General Update

- The CN Panel on 22 January was well attended and covered the budget, Active Plus, Family Learning Partnership and the School for Social Entrepreneurs.
- The next CN Panel meeting takes place on Tuesday 24th March 2020, 7-9pm back at Pool Academy Art Gallery, and the topics will include talks on;

Primary Care Networks (PCNs), Highways next year's allocation and schemes, King Edward Mine presentation and an update on the Climate Change Action group.

- With regards the next steps for Redruth Library, there is a meeting on 17 March to review the business cases that are submitted from those organisations who are interested.
- The progress at Hideaway 77 continues to be strong – the chest freezer, kitchen island and additional chairs have now been ordered – at our recent Board meeting, the issue was raised that many young people have their one meal of the day at the youth café which is telling about the social issues prevalent in the town. The mini bus trips are being planned at present to help broaden the young people's horizons.

- The CPIR Town Centre place shaping team meets again on 26 February at Camborne Town Council – at 10am, this will be a joint meeting for the Redruth HAZ and the Camborne Town Deal.
- The CPIR place shaping board met on 4 February had a detailed focus on the Health issues. After much debate it was agreed that a CPIR Health Summit would be organised by CC.
- Just to confirm, we now have a CPIR Facebook and Twitter page which I am uploading articles and photos of the various events and notifications on to. The facebook is Camborne Pool Illogan and Redruth Community Network and the Twitter is @CPIR_CN
- The date for the Community Chest Celebration next year will be Tuesday 13th October in the evening, this will be held at Camborne RFC in the function room.
- I pulled together on behalf of Cllr Ellenbroek, an ASB meeting for Redruth which took a detailed look at the instances and characteristics of ASB in the town, primarily Fore Street and Kresen Kernow, this was separate from the issues at the Elms. A second meeting of the ASB group has been scheduled for 24 March at 12 noon at Hideaway 77 youth café.
- I continue to work with the directors of the Redruth Revival CIC on a range of topics of support to enable them to engage with more young people and access a new lottery grant.

If you have any articles or news items you would like me to upload please let me know by email, thank you.

PART I – PUBLIC SESSION

1350.1 Apologies for absence

Cllr Ms MacCaul (other commitments).

1350.2 Members to declare any disclosable pecuniary interests or non-registerable interests (including details thereof) in respect of any item(s) on this Agenda

None were declared.

1350.3 To suspend Standing Orders to allow the public to speak

**1350.3.1 Unanimously RESOLVED to suspend Standing Orders to allow the public to speak.
[Proposed Cllr Mrs Davidson; Seconded Cllr Broad]**

1350.4 **To allow the public to put questions to the Council**

Cllr Mrs Biscoe joined the meeting during this item.

Mrs F Bailey, a local resident, asked if yellow lines could be installed on Nettles Hill near to the New Cut car park, as there were traffic issues with parked cars. Cllr Mrs Ellenbroek advised this matter was already included in the programme of work to be done and was out for consultation now. Cllr Barnes further advised he had recently had a meeting with the Cornwall Council Portfolio Holder for Transport and shown him the issues in that area. Mrs Bailey thanked the Councillors and stated she was pleased it was being looked into.

A number of local residents voiced their concerns regarding The Elms in Redruth. An application for residential accommodation for the homeless at The Elms was made two years ago, but had been withdrawn following petitions from local residents who were against it. Homeless persons were now being accommodated at the site without any consultation taking place. Groups of persons regularly congregated outside, bottles and cans were left in hedges and local residents felt intimidated and fearful to leave their premises after dark. Tarn Lamb of CN4C advised The Elms was a safe place to stay and was preventing homelessness. The Homeless Hub scheme was ran by Cornwall Housing, with CN4C running The Elms. To date 75 persons had been through The Hub scheme with 21 persons successfully re-housed. All beds were full, with nowhere else for the homeless to go. She apologised to local residents for any distress they were experiencing, and asked if they could work together with Cornwall Councillors to come to a solution. An open event was to be held at The Elms on 25th February which all were welcome to attend, and she would be happy to meet local residents there. The persons using The Elms needed support and were better off in a Hub. A spokesperson from Cornwall Housing advised the Hub Scheme was a Government funded project with the aim of getting the homeless off the streets. It was a mobile scheme covering the whole of Cornwall. There was at present no end date for the provision currently at The Elms. The pathway from the Hub was to move on to different provisions of accommodation. Ms Lawer, of Cornwall Housing advised she was the manager of The Hub at The Elms. She would be happy to address the issues of persons congregating outside in the area and would work with the anti-social behaviour officer and neighbourhood team. Cllr Mrs Ellenbroek stated that Redruth Town Council had not been involved in the decision to accommodate homeless there, and no Cornwall Councillors had been made aware of the situation either. Cllr Ms Reeve suggested a meeting be convened where all parties get together, in addition to the event to be held at The Elms.

1350.5 **To reinstate Standing Orders**

1350.5.1 Unanimously RESOLVED to reinstate Standing Orders. [Proposed Cllr Mrs Davidson; Seconded Cllr Biscoe]

1350.6 **To consider a proposal from Cllr Barnes on The Elms, Redruth**

Cllr Barnes advised he had been made aware of issues with drinking and anti-social behaviour at The Elms. He was concerned the situation was not under control and local residents were worried about their safety. Other similar establishments were ran successfully, an example being at Bosence Farm at Townsend, Hayle.

Cllr Barnes proposed “that this council calls for a review, and if need be the closure of the housing scheme at The Elms, due to excessive anti-social behaviour”. This was seconded by Cllr Thomas. Cllr Brown stated that closure was an unwarranted step at this point. A public meeting where police and all parties could attend would be a positive move forward and would give an opportunity to resolve the issues. Cllr Barnes expressed concerns that The Elms was not the place to site the homeless in Redruth being in a residential area and in close proximity to schools. Cllr Thomas stated that he agreed with Cllr Barnes, and applauded the service and agreed there was a need for it, but this was the wrong location.

Cllr Mrs Ellenbroek asked that in future when facilities such as these came to an area that the provider communicated their plans. Redruth Town Council and the local Cornwall Councillors had not been made aware of what was happening until issues had occurred and complaints received. Action could have been taken sooner before things got out of hand. Cllr Garrick proposed an amendment to Cllr Barnes proposal that first a meeting should take place of all parties concerned as soon as possible, and only then if no satisfactory outcome was reached a review, and if needs be closure. This was seconded by Cllr Mrs Ellenbroek. The amendment was accepted by a majority of ten votes for and two against.

1350.6.1 Unanimously RESOLVED that this council calls for a meeting of all parties concerned to take place as soon as possible, and only if the issues are not resolved satisfactorily, a review, and if need be the closure of the housing scheme at The Elms, due to excessive anti-social behaviour [Proposed Cllr Garrick; Seconded Cllr Mrs Ellenbroek]

1350.7 **To deal with local Police issues**

PCSO Thorne gave the Members a detailed report on incidents that had recently occurred in the town. Councillors thanked PCSO Thorne for attending.

1350.8 **To receive reports from the Cornwall Council Ward Members on their work within the Redruth parish**

Cllr Barnes had attended the Neighbourhood Planning Steering committee meeting and the Redruth Town Council Audit. He had helped a number of local residents with their concerns and looked into parking issues at Treleigh Avenue. He had also attended a Scrutiny Meeting at Cornwall Council, a Youth Café Meeting and a meeting of the French Twinning Association.

Cllr Mrs Ellenbroek advised she would be attending a meeting at Dolcoath with the Cornwall Council Portfolio holder for Transport, where parking matters would be discussed. She had attended a meeting of Cornwall Councillors looking at the provision of extra care housing in the Camborne, Pool, Illogan and Redruth area. She further advised she would be working with the Embrace Care Programme pilot scheme at Camborne Redruth Hospital.

Cllr Thomas advised he had no additional reports for the meeting.

1350.9 **To receive a report from the Community Link Officer, Ms Charlotte Caldwell**

A report had been circulated prior to the meeting. Ms Caldwell had sent her apologies. The report was noted.

1350.10 **To receive the Town Mayor's announcements**

Cllr Ms Reeve thanked all Councillors who had helped out at the Community Christmas Breakfast at Gweal-an-Tops. She had attended the Marazion Civic Service and both Neighbourhood Plan Redruth Conversation events held at Kresen Kernow. Cllr Reeve had been unable to attend the recent CPIR network panel. Notes from the Climate Action Group meeting would be circulated on to the Community Link Officer. She had also attended the funeral of Paddy Bradley, which had been well attended and was a moving service.

1350.11 **To confirm the minutes of the:**

1350.11.1 *Monthly Meeting of the Council held on 16th December 2019*

1350.12 To receive the Town Clerk's report

A report had been circulated prior to the meeting. It was reported that no further updates had been received on the Knife Angel Working Group or Redruth Digital Town Trail node at Murdoch House. The Town Clerk advised that the Organisational Staffing Review was now underway. Councillors may be contacted by the contractor over the next few weeks for their opinions. Councillors were reminded of the need to undertake Code of Conduct training regularly at least once a term. Cllrs Ms Reeve and Tregunna expressed the wish to do so, and the Town Clerk asked the other Councillors to advise him accordingly and he would make the necessary arrangements.

1350.13 To receive correspondence

Correspondence had been circulated prior to the meeting. Work to refurbish the toilets at Redruth Railway Station would be started this week. In response to the Freedom of Information request received from Lanner Parish Council, Councillors felt they would like to make a similar request in return. Cllr Mrs Ellenbroek would be attending the CPIR Place Shaping Board - Health Theme event.

1352.3.1 Unanimously RESOLVED to suspend Standing Orders to allow the public to speak [Proposed Cllr Ms Reeve; Seconded Cllr Mrs Biscoe].

1352.4 To allow the public to put questions to the Council on any matters relating to this Agenda

Mr Bryant spoke against PA19/10658. He stated that there was growing concern among the residents of Bridge, with ten of the fifteen residents living within 100m of the site now having objected. Mr Bryant argued that the proposed changes did not overcome the concerns previously raised, that the dwellings would be out of keeping and lead to an increased flood risk in one of the top three priority risk areas. He further stated that there had been no engagement and that site notices had disappeared, leading to people being unaware of the proposals. Mr Bryant advised that Portreath Parish Council had now also registered an objection, as had the Environment Agency. He asked that the Planning Committee reiterate its objection as there had been no real change to the proposals and there were likely to be ongoing detrimental impacts were permission to be granted.

1352.5 To reinstate Standing Orders

Unanimously RESOLVED to reinstate Standing Orders [Proposed Cllr Ms Reeve; Seconded Cllr Mrs Biscoe].

1351.4 Town Clerk's Report

A report was circulated prior to the meeting. Cllr Ms Reeve gave an update on the Redruth Art Street Project. Six pieces of artwork were now completed with more planned. No further progress had been made on the wall at Clinton passage as ownership was still to be ascertained. Funding was still awaited for work on the wall at Plain-an-Gwarry, with designs to be sent to Redruth Town Council for approval first. A mural was hoped to be installed at Market Strand and talks were progressing with an artist for this location. The Town Clerk further advised interviews had commenced for the Organisational and Staffing Review, and applications were being considered later that week for the Marketing and Events Assistant position. The remainder of the report was noted.

1351.5 To receive correspondence

None had been received.

1351.6 Reports from Members/Officers

1351.6.1 *Community Projects Manager on her work to date*

A detailed report on the Community Project Managers (CPM) work since the last meeting had been circulated. Cllr Ms Reeve enquired about the theme for Murdoch Day, and asked if it was to be a general History theme. The Festivals Committee usually decided upon the theme. Cllr Mrs Ellenbroek suggested Kresen Kernow could be contacted for ideas as they would be holding Celtic type mystery plays in Cornish. Cllr Reeve felt an environmental theme could also be considered. The Town Clerk advised the theme needed to be kept wide as local schools were involved, and would pass the suggestions on to the CPM. Cllr Garrick asked if the Council could ensure that the new Redruth leaflet was placed in the railway stations of Redruth and also Camborne and Truro, and offered to take some to Truro. The Town Clerk advised businesses paid to have their leaflets placed in the stands and we would need to ascertain what the position was.

1351.6.2 *Update on the work of the Redruth Library and Information Service by the Senior Library and Information Assistant*

A report had been circulated to the members prior to the meeting. Ms Waterhouse introduced herself to the meeting, and advised the activities the Library had offered the public over the Christmas period were the best yet. Many different persons and groups had got involved and momentum was growing with footfall increasing. The public were becoming increasingly aware that the Library and Information Service were willing to try out new initiatives, and had a positive outlook that was community minded. Last year they had taken part in the Fun Palace events, and would like to do so again this year and promote all the Fun Palace locations. This was scheduled for the first week of October. Ms Waterhouse advised Redruth Town Council had been selected and invited to a Fun Palaces workshop to be held in April, where they would find out what more they could do and how to involve more partners. Cllr Mrs Ellenbroek advised that the HSHAZ project would have funding available over a period of four years to enhance and do more community projects. A Cultural Consortium was to be set up and she would pass contact details of the Project Leader to Ms Waterhouse, as the Fun Palaces events would fit in perfectly. Ms Waterhouse stated now the key focus was to get as much done as possible ready for the Library to close on 14th March prior to the move to new premises. The Town Clerk welcomed Ms Waterhouse back and commented that the whole team had worked very well together while she had been away.

1351.6.2.1 Unanimously RESOLVED to send a letter of thanks to the Staff of the Redruth Library and Information Service. [Proposed Cllr Thomas; Seconded Cllr Mrs Davidson]

1351.7 To receive a report on the Review of the Festivals Committee

A report had been circulated to the members prior to the meeting. Cllr Mrs Davidson further advised the penultimate survey had been carried out at Hideaway77, and the last one would be with the Redruth Youth Council on 13th February. Over one hundred forms had been completed and the feeling coming from the survey was that people did not want to change the current festivals, and would like to have more. To move forward it was important to rejuvenate committees and bring in new businesses and partners. Much interest had been received and Cllr Mrs Davidson was happy to go out and talk with interested parties. A report on the findings would be brought to the next Full Council meeting. Cllr Mrs Ellenbroek stated that it was vital that Redruth Town Council worked

with the HSHAZ Cultural Consortium, and have talks with their Project Manager to ensure that a link was made. Funding was available to reinvigorate the town and make it more vibrant, and build on our Heritage resource. Cllr Thomas asked if the inclination was towards having four separate committees for the Festivals. Cllr Mrs Davidson stated that this was unknown, but it would be desirable to bring in more partners, and suggested holding a larger meeting bi-monthly, with each month considering the festivals as they occur. Cllr Ms Reeve stated this would be easier for the CPM to attend all meetings, with working groups feeding information in regularly. The feeling was for additional small cultural events rather than large Festivals.

1351.7.1 Unanimously RESOLVED that a) the current Festivals Committee is replaced by a series of Festival Working Groups which feed into a small GP sub group; and b) the findings of this report are sent to the Full Council for discussion and adoption [Proposed Cllr Brown; Seconded Cllr Mrs Davidson]

1351.8 **To consider requests for financial assistance**

The requests for financial assistance were dealt with as per the attached Appeals Schedule.

1351.8.1 Unanimously RESOLVED to carry forward the remaining balance of £1100 in the Appeals Budget to year 2020/21 [Proposed Cllr Ms Reeve, Seconded Cllr Brown]

1351.9 Unanimously RESOLVED to exclude the press and public from the meeting for the remaining items of business as their presence would be prejudicial to the public interest by virtue of the confidential nature of the subject matter (data protection), and on the grounds that it involves the likely disclosure of exempt information as defined in Part 1 of Schedule 12[A] of the 1972 Local Government Act. [Proposed Cllr Mrs Davidson, Seconded Cllr Brown]

PART II – PRIVATE SESSION

1351.10 **Redruth CCTV Management Report for period 1 October 2019 – 31 December 2019**

The report was noted.

REPORT FOR: Meeting of the Council 24th February 2020

1.0 SUBJECT OF REPORT: Review of the Festivals Committee - recommendation from the General Purposes Committee

2.0 SUMMARY OF IMPLICATIONS

- a. Policy - Yes
- b. Financial - No
- c. Legal - Yes

3.0 TERMS OF REFERENCE

3.1 This committee agreed in June 2019 that an overhaul of the Festival Committee's operation should be considered. It is very important for Redruth in our future scoping for our festivals, which are so popular, that we build in some radical new and exciting features to bring a fresh and innovative feeling to all that we do.

4.0 REPORT

4.1 *Community Conversations* – A series of community conversations have been held in the period since September 2019, in a variety of locations. Some conversations are still to be carried out, along with an on-line survey to be created by the Community Projects Manager.

Participants in the conversations were asked to complete a questionnaire, the results of which are still being collated and will be available for Full Council at the end of February 2020.

4.2 *Outcomes* – To date the findings have been very positive, with the majority of participants wanting to see more activities in town. Children's events and markets were the highest scorers with monthly timings heading the list. Preliminary results from questionnaires are as follows:

110 completed from a variety of conversations held in the following places;
Buttermarket (on the Fun Palaces Event Day)
Kresen Kernow
Murdoch House
Gwealan Tops
St. Andrews Church
Hideaway 77
Youth Council

The majority of people responding come into town for shopping and most people are local residents. Over a quarter uses the cinema; visit regular markets; use the banks and post office; and visit Kresen Kernow.

The majority would like to see more emphasis on smaller events to run alongside the larger festivals, particularly children's events, markets and workshops.

I will be able to carry out some more in depth analysis at a later date. However, on the basis of the responses to date, I believe that we should consider setting up 4 Redruth Town Events Groups to be seasonally themed (Spring, Summer, Autumn, Winter), with a central

festival at the core of each group. Each Group will hold a quarterly planning event to which all local stakeholders will be invited. Smaller working parties will be established from these groups to consist of at least 1 Councillor, 1 member of town council staff and 3 members of the community. These small groups to meet monthly in the first instance until they have established the best working practice.

4.3 Working Party Approach – The findings back up the need to overhaul the current Festival Committees operation and make up. We need to reach out to businesses and organisations to attend a meeting to be held at regular intervals to input ideas and bring energy to our planning. There is the suggestion of a monthly working party style approach to each Festival. These groups would then feed into an overarching meeting held potentially bi-monthly.

4.4 Heritage Action Zone Project – The scope of this project includes the possibility of funding for additional events in town over the next 5 years and it is important we work in conjunction with this initiative.

5.0 **RECOMMENDATIONS**

5.1 It is recommended that:

- a. the current Festivals Committee is replaced by 4 Redruth Town Events Groups to be seasonally themed (Spring, Summer, Autumn, Winter), with a central festival at the core of each group.
- b. Each Group will hold a quarterly planning event to which all local stakeholders will be invited. Smaller working parties will be established from these groups to consist of at least 1 Councillor, 1 member of town council staff and 3 members of the community. These small groups to meet monthly in the first instance until they have established the best working practice.
