PART I – PUBLIC SESSION

1352.1 To receive apologies for absence

1352.2 Members to declare any personal and prejudicial interests (including details thereof) in respect of any item(s) on this Agenda

1352.3 To suspend Standing Orders to allow the public to speak

1352.3.1 Unanimously RESOLVED to suspend Standing Orders to allow the public to speak [Proposed Cllr Ms Reeve; Seconded Cllr Mrs Biscoe].

1352.4 To allow the public to put questions to the Council on any matters relating to this Agenda

Mr Bryant spoke against PA19/10658. He stated that there was growing concern among the residents of Bridge, with ten of the fifteen residents living within 100m of the site now having objected. Mr Bryant argued that the proposed changes did not overcome the concerns previously raised, that the dwellings would be out of keeping and lead to an increased flood risk in one of the top three priority risk areas. He further stated that there had been no engagement and that site notices had disappeared, leading to people being unaware of the proposals. Mr Bryant advised that Portreath Parish Council had now also registered an objection, as had the Environment Agency. He asked that the Planning Committee reiterate its objection as there had been no real change to the proposals and there were likely to be ongoing detrimental impacts were permission to be granted.
1352.5 **To reinstate Standing Orders**

Unanimously RESOLVED to reinstate Standing Orders [Proposed Cllr Ms Reeve; Seconded Cllr Mrs Biscoe].

PART I – PUBLIC SESSION

1354.1 To receive apologies for absence
Cllr Ms Page (unwell) and Cllr Bishop (other commitments).

1354.2 Members to declare any personal and prejudicial interests (including details thereof) in respect of any item(s) on this Agenda
None were declared.

1354.3 To suspend Standing Orders to allow the public to speak

1354.3.1 Unanimously RESOLVED to suspend Standing Orders to allow the public to speak. [Proposed Cllr Ms Reeve; Seconded Cllr Tregunna]

1354.4 To allow the public to put questions to the Council

Mr Walters spoke in relation to PA19/10458 and raised concerns over the proposed access to the site. He advised that there was no pavement on Rule Street and little in the way of pedestrian access. In addition, the proposed access went over two parking spaces owned by local residents and was directly opposite another parking space. Mr Walters stated that the road was narrow and could not accommodate two cars side by side. He was concerned over the impact of a potentially significant increase in the volume of traffic. Mr Mitchell spoke as the Agent in relation to PA19/10458 and stated that the application was to establish the principle of development on the site. The plans were indicative, as was the access point, and the detail would be dealt with later in the process. He stated that it was likely the layout would change and that the applicant had no power to impede others. Mr Mitchell advised that the proposals included five affordable dwellings and contributions would be made to Education and Public Open Spaces. It was the type of small site which
was being encouraged to come forward and it was hoped that the plans would fit in with what had already been developed.

1354.5 To reinstate Standing Orders

1354.5.1 Unanimously RESOLVED to reinstate Standing Orders. [Proposed Cllr Ms Reeve; Seconded Cllr Mrs Biscoe]

1354.6 To consider the planning applications

1354.6.1 The Planning Applications were dealt with in accordance with the attached Annex A to these Minutes.

1354.7 To receive correspondence

1354.7.1 NHS England – Application for inclusion in a pharmaceutical list at Boots, Parc Erissey Industrial Estate, New Portreath Road

The correspondence was noted.

1354.7.2 Sirius Planning Ltd – Planning application by Biffa for continued use of the materials recycling facility, increase to annual waste input and construction of external storage bays – Plot 45 Cardrew Industrial Estate

Cllr Mrs Ellenbroek had been in discussion with the officer and advised that no application had yet been submitted. She suggested that public consultation needed to take place once the application had been made.

1354.7.2.1 Unanimously RESOLVED: (i) to invite Biffa to attend the Planning Committee once the planning application had been submitted and the Town Council consulted and (ii) to extend the invitation to local residents. [Proposed Cllr Mrs Ellenbroek; Seconded Cllr Ms Reeve]

The Council’s reason for refusing permission for this development is set out below:

Paragraph 2.33 of the Cornwall Local Plan Strategic Policies 2010 - 2030 defines open countryside as the area outside of the physical boundaries of existing settlements, where they have a clear form and shape. In this case, the application site is not considered to comply with planning policies concerning new windfall residential development in this area, and is therefore considered to be situated in the countryside as opposed to within the Redruth urban area. Furthermore, the site is considered to relate more closely in a physical and visual sense to the surrounding countryside rather than the urban area. The proposal is therefore considered to conflict with the aims and intentions of policies 1, 2, 3, 7, 12 and 23 of the Cornwall Local Plan Strategic Policies 2010 - 2030; Policy 1 of the Cornwall Site Allocations Development Plan Document; and paragraphs 8, 127 and 170 of the National Planning Policy Framework 2019.
