2nd January 2025

Dear Councillor Barnes,

Firstly, I want to thank you for the continued support that the Redruth Town Council have shown to Devon and Cornwall Police and in particular your local Neighbourhood Policing Teams.

I am writing to update you about a recent Estates review we have completed on small police bases/offices in Cornwall and the decision made to cease using the facilities at The Chambers, Penryn Street, Redruth. Since the closure of Redruth Police Station the use of this facility has helped to support the local policing teams to deliver their objectives. Redruth will continue to benefit from its own resolute local policing team, but instead teams will operate from the newly refurbished Camborne Police Station but will deploy to Redruth to patrol the area.

Whilst the decision has been made to discontinue the use of this facility, mainly due to the costs and resource required to meet our legal responsibilities to ensure a space is safe and secure for policing purposes, and the management of sensitive material. I want to reassure you that this will have no impact in our ability to continue serving the residents of Redruth Town and the surrounding areas, completing local engagements, addressing community concerns and our accountability to the local community to prevent crime and harm. We will continue to focus on our local policing objectives of Prolific shop lifting, Anti-Social behaviour, Violence Against Women and Girls and Dangerous Drug Networks.

If the Council have concerns regarding this decision, please do not hesitate to contact me to discuss them.

Kind regards

Dear

I hope this letter finds you well. My name is Benjamin Read and I am writing on behalf of Cornwall Scrapstore, a registered charity that has been supporting communities across Cornwall for over 30 years. Our mission is to provide low-cost materials for creative projects, help reduce waste, and promote sustainability, all while serving as a valuable resource for schools, community groups, artists, and individuals alike.

Over the years, Cornwall Scrapstore has become a vital part of the local community. We have built strong relationships with schools, charities, and individuals, providing them with access to surplus materials that would otherwise be discarded, allowing them to create, learn, and innovate. This initiative has not only helped foster creativity but also reduced environmental waste, contributing to Cornwall's broader sustainability efforts.

Unfortunately, like many small charities across the region, Cornwall Scrapstore is currently facing significant challenges due to the ongoing cost of living crisis. Rising costs and limited funding which have placed a strain on our ability to continue offering our full range of support. We are reaching out to town councils across Cornwall, like yours, to seek help in securing both financial support and assistance in promoting our work.

There are several ways you and your council can help:

1. **Financial Support:** A donation or a grant to assist in covering operational costs, purchasing materials, or maintaining our premises would go a long way in sustaining our work.
2. **Raising Awareness:** Helping us promote the Cornwall Scrapstore to local residents, schools, and community groups would greatly expand our reach. We are in need of support in spreading the word about the positive impact our work has on the community.
3. **Materials Donations:** We also welcome donations of unused or surplus materials, which can help us continue to provide resources to those who need them most.

Your support would not only help sustain Cornwall Scrapstore but would also contribute to the long-term wellbeing of local communities by fostering creativity, sustainability, and education.

I would be happy to meet with you to discuss how we can work together to support Cornwall Scrapstore and the communities we serve. Please feel free to contact me at 07529 247771 or cornwallscrapstore@gmail.com if you would like further information or to arrange a meeting.

Thank you for your time and consideration. We look forward to the possibility of collaborating with you in the future.

Yours Sincerely

Subject: Climate and Nature Bill

You don't often get email from clovelly2024@proton.me. [Learn why this is important](#)

Dear Town Clerk,

I hope this letter finds you well. I am writing to express my concerns regarding the Climate and Nature (CAN) Bill and to request a reconsideration of its implications based on a comprehensive and balanced review of the scientific debate surrounding climate change.

It is essential to recognize that Councillors do not need to determine which side of the climate science debate is correct. Instead, they must acknowledge that only one side of this debate has been consistently presented. This approach is contrary to the Nolan Principles of Public Life, which require MPs and councillors to avoid bias and pre-determination. One-sided briefings can distort decision-making, leading to potentially significant costs and impacts for the public.

Since the Climate Change Act 2008 became law, many scientists, including Nobel Laureates, have declared that "there is no climate emergency." This Act and related Net Zero targets are based on one side of a two-sided scientific debate. Significant legislation with major economic and societal impacts should not be based on a singular perspective. Climate change must be reconsidered with input from all sides of the debate.

A recent petition to Parliament, which has garnered considerable public support, further emphasizes the need for a balanced approach. On 22 January 2019, Cornwall Council declared a climate emergency based on a single piece of evidence from the Intergovernmental Panel on Climate Change (IPCC). This decision did not consider evidence from independent climate scientists, such as those from CLINTEL and the CO2 Coalition, who assert <https://clintel.org/> and the CO2 Coalition: <https://co2coalition.org/> whose joint climate declaration is that: "There is NO (manmade) climate emergency".

Subsequent presentations to Cornwall Council have relied solely on IPCC findings, ignoring serious criticisms such as the 'Climategate' scandal and critical reviews by the Inter Academy Council. This advisory imbalance risks undermining public confidence in Cornwall Council's decisions. Up to this year's damning Clintel report '*The Frozen Views of the IPCC*' which documents alleged cherry picking of data, flawed computer modelling, bias etc by the IPCC . (<https://clintel.org/wp-content/uploads/2023/05/Clintel-The-Frozen-Climate-Views-of-the-IPCC-online-version.pdf>)

The CAN Bill's campaign site, 'ZERO HOUR,' includes footage of Extinction Rebellion protests, indicating an extreme stance. The Bill supports measures like 're-wilding,' which reduce productive farmland and threaten food security. It also proposes cutting shipping that brings in food imports, potentially leading to food shortages.

The Bill acknowledges the severe effects it will have on constituents and the wider UK economy. Clauses in the Bill require transitioning out of high-emission industries without sufficient resources or time to provide non-fossil fuel alternatives, likely resulting in significant negative impacts on people's lives and the economy.

The "Absolute Zero" Report by UK Fires for the Government (<https://www.ukfires.org/wp-content/uploads/2019/11/Absolute-Zero-online.pdf>) sets out Net Zero targets that include significant restrictions on travel, including the closure of regional airports such as Newquay. This could have substantial impacts on the Cornish tourist economy and employment. Furthermore, the report suggests that pastoral farming (e.g., beef and lamb) must be reduced and ultimately ceased, which would significantly affect Cornish farming, predominantly pastoral, and lead to inevitable changes in the Cornish landscape.

MPs do not need to decide on the science but must recognize that the climate debate is two-sided. Presenting only one side in the CAN Bill contradicts the Nolan Principles of Public Life.

I urge you to consider the CAN Bill and ensure decisions are based on balanced evidence from both sides of the scientific debate. This approach will uphold the principles of public life and protect the interests of Cornwall's residents.

Please watch <https://www.youtube.com/watch?v=aCvkfN8pbcQ>

Furthermore, I kindly request that you sign the petition to Parliament calling for the revocation of the Climate Change Act 2008 and related Net Zero targets. This petition highlights the need for a thorough and unbiased reassessment of climate change policies.

Petition: - <https://petition.parliament.uk/petitions/701600>

Thank you for your attention to this important matter.

Yours sincerely,

Sarah

Motion from Cllr Katie Grasso

Received on 13th January 2025

After studying the recent tax base figures for the new second home council tax premiums, we propose that Cornwall Council consider a much fairer way of proportioning the proceeds, so that all areas have equal benefit reflected in their precepts, and not those only with busy tourist locations or wealthier areas which have a much higher rate of second home ownership. Poorer areas should receive similar amounts to those wealthier locations, where the need is often greater and this would benefit the county as a whole.

Looking at second home council tax in general, Cornwall Council should ring fence this money solely for providing housing, reparation works to current council housing and those currently empty due to repair status, and potential CPO for properties empty in towns/villages that could provide much needed accommodation, as well as helping areas improve.

Like when the second home council tax rate 50% deduction was removed to support local housing, the second home premium was introduced as part of the levelling up strategy, in response to the housing crisis and need for additional social and local support.

Miss E Stephens Summer Intern
Mr S Rowell Community Safety Team
One local resident was also in attendance

PART I – PUBLIC SESSION

1605.1 To receive apologies for absence

Apologies were received from Cllrs Craze, Garrick and Tremayne.

1605.2 Members to declare any disclosable pecuniary interests or non-registerable interests (including details thereof) in respect of any item(s) on this Agenda

None were declared.

1605.3 Public participation session – to enable the public to put questions to the Council relating to any items on the agenda

No questions were put to the Council by the public.

1605.4 To receive a short presentation from the Work Placement student on a proposal for Community Action

The Operations Officer re-introduced Miss Stephens and reminded Councillors of the impressive work she had done for the Town Council earlier in the year. She advised that one of the tasks the Intern had been given was to create a proposal for a community event

focussed on ‘cleaning up’ the town. The following presentation was the result of that request.

A proposal had been circulated prior to the meeting. The Summer Intern gave a presentation in relation to a community action event focussed on improving the visual appeal of the town to make it appear more welcoming to visitors and local residents. She set out an overview of the proposal, the objectives of the proposed event and the opportunities it could present. Councillors referred to previous efforts along the lines of the proposal and suggested contacts who might be able to provide equipment and/or advice. It was agreed that the proposal was a very good idea and that the enthusiasm demonstrated was impressive.

Councillors thanked the Summer Intern for her efforts and gave her a round of applause.

1605.4.1 Unanimously RESOLVED to refer the proposal to the Operations Committee, in order for it to be enacted [Proposed Cllr Barnes; Seconded Cllr H Biscoe].

1605.5 To receive reports from Cornwall Council Divisional Members on their work within Redruth

Cllr Donnithorne had sent his apologies. No written report had been received.

Cllr Ellenbroek advised that she had been receiving notifications about more mining features opening up in Redruth South. There had also been flooding issues on Falmouth Road. She had been working to resolve the cause of the flooding but advised this was not straightforward as different people owned different parts of the stream in question. Cllr Ellenbroek asked that Members let her know if they became aware of any further concerns in this area. She further spoke about the 16 Days of Activism movement, which was dedicated to raising awareness and taking action to end violence against women and girls, while promoting gender equality. Cllr Ellenbroek stated that there was an interest in doing more around this in 2025 and suggested that Redruth Town Council get involved. She advised that the Town Council look at what Penzance had done and whether this could be replicated in Redruth. Cllr Ellenbroek also referred to the Lighting Up Redruth project in 2010, which had involved projecting lights onto key buildings in the town. She suggested that when the electrical infrastructure for the Christmas light display was being looked at, in light of ongoing issues, the Town Council build in a project around lighting up some of the town’s buildings, such as the viaduct. Cllr Ellenbroek stated that she had the original paperwork for the 2010 project, were this needed. Finally, Cllr Ellenbroek advised that the Government’s Shared Prosperity Fund had just announced an additional £47million allocation to Cornwall. She suggested that potential bidders get their business plans in place and be ready to submit their bids as soon as possible.

Cllr Barnes advised that, in his role as Cornwall Councillor, he had recently spoken in support of the Town Council at the West Sub Area Planning Committee. At that meeting, a planning application in relation to 8 Bond Street had been refused. Cllr Ellenbroek thanked Councillors Barnes and Major for attending the Committee meeting. Cllr Barnes further stated that he had attended a Scrutiny meeting at the Civic Centre to discuss the good work done by Redruth Library, and a meeting of the Breton Twinning Association, who were making efforts to reinvigorate the group and the link with Brittany.

1605.6 To receive announcements and communications from the Town Mayor and Town Clerk

The Town Mayor stated that the Christmas Light Switch On had been very good and that The Buttermarket had done well. He had also attended the recent Redruth School Christmas Concert, where the performers had been of a very high standard. Cllr Barnes advised he had appeared as ‘The Mayor of the North Pole’ at the Redruth Santa’s Grotto. He stated that everyone had loved the event and gave special thanks to George Coombs of the Council’s Facilities Team for his ingenuity and design skills. Santa and the Elves were also thanked for their efforts.

1605.7 To receive correspondence

1605.7.1 Letter from Marazion Town Council

Correspondence had been circulated prior to the meeting. The correspondence was noted.

1605.7.2 Devolution Statement

Correspondence had been circulated prior to the meeting.

1605.7.2.1 Unanimously RESOLVED to formally approve the Statement on Devolution from Central Government [Proposed Cllr Brown; Seconded Cllr Thomas]

1605.8 To confirm the Minutes of the Monthly meeting of the Council held on 25th November 2024

1605.8.1 RESOLVED by Majority to confirm the Minutes of the Monthly meeting of the Council held on 25th November 2024 as a true and accurate record of proceedings [Proposed Cllr Barnes; Seconded Cllr A Biscoe] Cllr Ellenbroek abstained as she had not been present at the meeting.

1605.9 To receive the Minutes as reports of the following committees and meetings, and to accept and approve the Recommendations and Resolutions contained within the minutes of the:

Finance Committee held on 18th November 2024

1605.9.1. Unanimously RESOLVED to accept and approve the Recommendations and Resolutions contained within the minutes of the Finance Committee held on 18th November 2024 [Proposed Cllr Barnes; Seconded Cllr A Biscoe].

Operations Committee held on 2nd December 2024

1605.9.2 Unanimously RESOLVED to accept and approve the Recommendations and Resolutions contained within the minutes of the Operations Committee held on 2nd December 2024 [Proposed Cllr A Biscoe; Seconded Cllr Barnes].

1605.10 To consider the Town Clerk’s report

A report had been circulated prior to the meeting. Councillors expressed some concerns that the proposed date for Murdoch Day clashed with the Falmouth Sea Shanty Festival. Since this was a major event not far from Redruth, there were concerns that it would significantly reduce footfall, as well as impact on the availability of traders.

Cllr Thomas spoke in relation to Victoria Park and asked for assurances to be made by Cornwall Council in relation to the War Memorial and proposed free water refill station. The Town Clerk would write again to the Highways Steward, and a report would be brought to Councillors in relation to potential devolution of parks at the appropriate time.

It had been made clear to Cornwall Council that devolution would only be considered if there was an accompanying capital sum attached.

1605.10.1 RESOLVED by Majority to provisionally approve the date for Murdoch Day as being Saturday 14th June 2025 [Proposed Cllr Biscoe; Seconded Cllr Barnes]. Cllr Major abstained; Cllrs A Biscoe, Brown, Ellenbroek, Grasso and Reeve voted against. The motion was carried by a casting vote from the Chair.

1605.11 **Youth Council Update**

A report had been circulated prior to the meeting. The Operations Officer advised that it had been a very busy month for Youth Councillors, including the planting of over one thousand crocus bulbs with Redruth Rotary at Kresen Kernow, and taking part in the parade at Redruth in Lights. The supply of free period products by the Youth Council in the customer toilet at the Civic Centre was going well, with no issues reported. The scheme would be reviewed in the new year, with potential to trial additional locations and increase the products available. Finally, the Operations Officer reported that the Youth Council's Christmas toy collection for the local foodbank had been a huge success, with three large sacks of gifts handed over. On behalf of Youth Councillors, she thanked everyone who had made a donation. The report was noted.

1605.12 **To consider and approve the schedule of payments**

1605.12.1 Unanimously RESOLVED to approve the schedule of payments [Proposed Cllr Barnes; Seconded Cllr A Biscoe].

PART II – PRIVATE SESSION

1605.13 Unanimously RESOLVED that pursuant to the provisions of the Public Bodies (Admissions to Meetings) Act 1960, the press and public be excluded from the Meeting for the following item of business, by reason of the confidential nature of the business to be transacted [Proposed Cllr A Biscoe; Seconded Cllr Thomas].

The Summer Intern and local resident left the meeting at this point.

1605.14 **To consider a report on the ASB Officer**

Mr Rowell introduced himself, provided Councillors with additional information in relation to the ASB Officer post and answered the questions put to him.

1605.14.1 RESOLVED by Majority not to contribute toward the cost of the ASB Officer post [Proposed Cllr A Biscoe; Seconded Cllr Grasso]. Cllr Brown voted against.

Apologies were received from Cllr Tremayne.

1603.2 Members to declare any disclosable pecuniary interests or non-registerable interests (including details thereof) in respect of any item(s) on this Agenda

None were declared.

1603.3 Public participation session - to allow the public to put questions to the Council on any matters relating to this Agenda

Mr Christen spoke about a parcel of land, between Sandy Lane and Cam Marth. He stated that the land was in an Area of Great Landscape Value, and an asset to Redruth. Councillors reassured Mr Christen that they were aware of the land in question and were protective of it. Councillors advised that they did their best to resist inappropriate development, however the decision whether or not to grant consent ultimately lay with Cornwall Council. Cllr Barnes suggested that Mr Christen speak to the Operations Officer if he had concerns about any future planning applications.

Cllr H Biscoe thanked Mr Christen for his time.

1603.4 To consider the planning applications

The planning applications were dealt with in accordance with the attached Annex A to these minutes.

1603.6 Clerk's Report

A report had been circulated prior to the meeting. The Operations Officer advised that Cllrs Barnes and Major had attended a Cornwall Council Planning Committee meeting earlier that day in relation to PA24/06714. Cllrs Barnes and Major reported that the vote had gone in favour of Redruth Town Council's recommendation. It was felt that the Town Council being present and speaking at the meeting had made a difference to the outcome.

The Operations Officer further reported that the Neighbourhood Development Plan had now been declared legally compliant. The next stage in the process was a referendum. This would be publicised in the coming weeks. Councillors were asked to assist by increasing awareness and encouraging people to vote.

REDRUTH TOWN COUNCIL

REPORT FOR: Meeting of Full Council on Monday 27th January 2025

SUBJECT OF REPORT: Town Clerk's Report

SUMMARY OF IMPLICATIONS

a.	Policy	No
b.	Financial	No
c.	Legal	Yes

1.0 **TERMS OF REFERENCE**

To report on progress during the period.

2.0 **REPORT**

2.1 I have attended the recent Elections briefing by CALC and would like to draw Members' attention to the email I sent regarding the protocol for the pre-election period (formerly known as Purdah). The Local Elections will be called on 14th March with the polling day taking place on 1st May 2025.

The team and I will be working on a pack for all candidates and a new Induction Pack for all new Councillors for the start of the new Council term. If anyone has any questions, please send me an email on townclerk@redruth-tc.gov.uk

2.2 Considerable work continues with regards the Council's new Strategic Plan and Organisational Review, with and by Skylite Associates. This work has included research with all staff and Councillors and a number of stakeholders in the local community. Following approval of the new organisational structure at Full Council on 16th December 2024, we are on course to ensure that the new Strategic Plan will be published in the first quarter of 2025 and a new staff structure in place for 1st April 2025.

2.3 As reported last month, quotes were being obtained for commissioning a full Health and Safety Audit across all our sites, we are expecting the third quote in early February when we will be in a position to instruct this work. Vis the accessibility audit, I am pleased to report that we have recently had a specialist undertake an initial visit to get our Accessibility Audit underway. These are both crucial pieces of work across the organisation and the physical assets of the Council.

2.4 The Operations Officer, Facilities Manager and I have met with Cornwall Council's Head of Environment, to explore strategic options for the Town Council to take on additional parks through the devolution process. This was a positive meeting, and a follow up meeting took place on 13th December 2024 with a further meeting and site visit on 20th January 2025.

For Decision:

2.5 The conclusion of the meeting was that Cornwall Council are keen for the Town Council to take a place-based approach to the devolution of assets, given the proven track record we already have in taking on assets and managing them/enhancing service delivery on sites. For the financial year 2025-26, and in the light of previous Full Council discussions, we have provisionally put forward Victoria Park and Strawberry Fields (freehold) for devolution (as Members are aware we already have Strawberry Fields leasehold). I am therefore seeking Council approval to confirm this request as a minute note in writing to Cornwall Council, which will trigger the devolution process. This would be subject to due diligence in terms of site surveys, risk assessment and full appraisal. It would also be subject to Cornwall Council giving us a capital sum alongside the asset to ensure any remedial works/backlog maintenance is funded. The proposal would be to take on an additional larger park each year thereafter in line with requisite capacity in the Facilities Team.

2.6 As Members are already aware, Redruth has been announced as a town to receive a permanent Banking Hub which is very positive news for the parish. Prior to Christmas, myself and the Engagement Officer were involved in significant work to ensure facilitation of a location for a temporary Banking Hub for the next 12 months, prior to the permanent home being confirmed. The location will be announced in early February and the opening will take place on St Piran's festival day on 1 March 2025.

2.7 I am pleased to report that the Police will be starting to hold surgeries in our library each month. Details of the sessions will be promoted on our social media and noticeboards shortly.

2.8 External meetings attended:

- Meetings with Skylite Associates
- Bid team meeting
- Accessibility Audit meeting
- May 2025 Elections session with CALC (Cornwall Association of Local Councils)
- Larger Councils meeting at Truro City Council
- Meeting with senior officers of Cornwall Council library service
- Community Centre meeting
- Meeting at Council's solicitors
- East End park tree planting ceremony
- Meeting with Cornwall Council Capacity Fund team
- RJ Working Climate Change conversation
- Meeting with CRCC at the Chambers
- Meeting with local CIC
- CCTV meeting

2.9 To attend in next period:

- SLCC national conference
- CCTV meeting
- Skylite meetings
- Home Library Service volunteer meeting
- Solicitors meeting

3.0 RECOMMENDATION

To note and accept the report of the Town Clerk, and to make a decision on item 2.5.

2. TERMS OF REFERENCE

To report upon the activities of Redruth Youth Council.

3. REPORT

3.1 Monthly Youth Council Meeting

Despite the Christmas holidays having occurred in the intervening period, it has continued to be a busy time for the Youth Council and since the last report two meetings have taken place.

In December, Youth Councillors held elections for the posts of Chair, Vice Chair, Treasurer and PR Champion. The new Chair, Izzy, is now in post. As a longstanding Youth Councillor, many Members will already have met Izzy or recall her previous attendances at meetings of the Full Council.

In addition to the elections, Youth Councillors provided feedback to the Events & Marketing Co-ordinator in relation to Redruth In Lights. This included comments on the parade, light display, Christmas market opening hours and the possibility of the Town Council arranging workshops to assist schools with preparation of their artworks. Youth Councillors also discussed ideas for future festivals and events with the Events & Marketing Co-ordinator. Finally, Youth Councillors discussed with me their ideas for the improvement of Redruth, as well as what they viewed as the current issues. Information from this discussion will be presented to Town Councillors in due course. I thanked the Youth Councillors for all of their efforts and time over the past twelve months.

At January's meeting, the Communications Co-ordinator and Events & Marketing Co-ordinator discussed with Youth Councillors the upcoming squirrel artwork and Youth Festival. Youth Councillors also gave their suggestions for the current 'Name the Facilities Van' competition and came up with some designs to promote their campaign to end period poverty.

3.2 Campaign to End Period Poverty

Free period products remain available to visitors to the Civic Centre, courtesy of Redruth Youth Council, with no issues to date.

It is hoped to add other locations in future, as well as increasing the products available. Youth Councillors are working with local representatives of a multinational company with the aim of creating an ongoing supply of products. Further information will be provided to Councillors as appropriate.

4. **RECOMMENDATIONS**

It is recommended that this report is noted.

Abigail Hunt
Operations Officer

REDRUTH TOWN COUNCIL

REPORT FOR: Meeting of the Council on 27th January 2025

SUBJECT OF REPORT: To receive a recommendation from the Finance Committee with regards to the Council budget for the Financial Year 2025-26 and the level of precept to be raised

1.0 **SUMMARY OF IMPLICATIONS**

- | | | | |
|----|-----------|---|-----|
| a. | Policy | - | No |
| b. | Financial | - | Yes |
| c. | Legal | - | Yes |

2.0 **TERMS OF REFERENCE**

2.1 To receive a recommendation from the Finance Committee concerning the proposed Council budget for Financial Year 2025-26 and the level of precept to be raised.

3.0 **REPORT**

3.1 **Budget 2025-2026**

3.1.1 Attached for your information is a copy of the proposed budget for the Town Council for 2025-2026, having been considered and approved by the Finance Committee on 20th January 2025.

3.1.2 We are proposing an increase in the budgeted net expenditure from £1,176,015 (2024/25) to **£1,381,718**, an increase of £205k (17.5%) over the previous year.

3.1.3 The main income and expenditure assumptions made in preparing the budget include;

- Proposed staff structure reflects the Strategic Review, with some posts filled in 1 June 2025 and others in 1 October 2025
- 5% average increase in the 2025/26 pay award
- An increase in Employers National Insurance in line with the new rates and thresholds
- Inflationary increases of 5% assumed, unless informed otherwise by suppliers
- An income generation target of £47k
- Interest income budgeted at £40k.

3.1.4 We have separately budgeted for expenditure from Earmarked Reserves in 2025/26 totalling £177,731, to cover the following costs;

- | | |
|--------------------------|--------------------------------------|
| • Elections | £10k |
| • Major building repairs | £135k |
| • Youth Festival | £15k (100% funded by grant received) |
| • Marketing/website | £12k |
| • Visitor Centre | £5k |

3.2 Level of Precept 2025-2026

- 3.2.1 Our proposed precept (the amount required to fund our expenditure and therefore the amount to be collected through the Council Tax) has increased from £1,176,015 to **£1,381,718**, an increase of £205,703. The Council Taxbase base figures for Redruth parish for 2025-26 show an increase in our 'D' Band equivalents from 4,529.63 to **4,620.15**, an increase of 90.52 (including 38.55 second properties) or 2.0%. A precept requirement of £1,381,718 would require an increase in Council Tax of **£39.44** (15.19%) per annum for Band D properties for 2025-26, taking the annual Parish Council Tax Charge for Band D from £259.63 to **£299.06**.

This equates to an increase of **76 pence** per week for Band D properties.

3.3 General

- 3.4.1 The Council have already approved the Strategic Review and the 2025/26 Budget includes costings for the phased introduction of the proposed staff structure and associated costs.
- 3.4.2 The increase in the Employer's National Insurance rate in 2025/26 results in projected additional costs of nearly £20,000, which represents an increase of 1.7% in the precept alone.

4.0 CONCLUSION

- 4.1 It is concluded that Members consider the Council budget and precept requirement proposed within this report, and as brought forward as a recommendation by the Finance Committee.

5.0 MOTION

- 5.1 On behalf of the Finance Committee, I propose:

"that the Council sets a budget for Financial Year 2025-2026 of £1,381,718, and that the level of precept raised be £1,381,718 to fund said budget."

Cllr R S Barnes
Chair, Finance Committee

Helen Bardle
