Ref	Note	Action
1.0	Welcome and apologies	
1.1	Apologies were received from Kate Swain, Fallon Hart, Dulcie Tudor, Jan West, Dale Unsworth and Jinny Clark.	
2.0	Approval of the previous meetings minutes	
2.1	Minutes were approved.	
3.0	Matters arising	
3.1	<p>RK asked if the school advertising currently displayed was the full extent of the initiative. JH confirmed it was. RK expressed that he thought it would go around the whole site.</p> <p>RK asked if the waste collection issue had been resolved. AW/VP confirmed that it has.</p> <p>CM and SC provided an update on the book collection initiative and confirmed that over 3 tonnes of books have been donated to the prison network.</p> <p>JC volunteered to put a request for books in the Chacewater Parish magazine.</p>	JC
4.0	Planning and Construction Update	
4.1	<p>JH Talked the group through the latest drone footage.</p> <p>BS asked if the sprinkler tanks were now full. JH confirmed that they are.</p> <p>JC remarked on the solar panels looking good.</p> <p>JH confirmed that there were 1660 panels on the roof.</p> <p>JC asked if they required cleaning. JH confirmed they would be cleaned annually and accessed through a service hatch.</p> <p>JH advised that doors had now been fitted. BS asked if they were the specified high velocity doors. AW confirmed they were.</p> <p>NS asked for clarification on where HGVs would be parked overnight and where they would queue whilst waiting to tip. JH described the overnight parking area and the tipping area.</p> <p>NS asked whether HGVs would be audible in the mornings.</p> <p>CM advised that vehicle reverse checks can be conducted in silence.</p> <p>SG asked how many vehicles would be parked overnight.</p>	

	<p>AW advised that her would check the planning stipulations and feedback accordingly.</p> <p>NS asked how many vehicles would be allowed on the operator's licence as he hadn't seen any advice from traffic officers.</p> <p>SG commented that she and NS are currently aware of vehicles reversing on site in the morning and operatives shouting 'stop'.</p> <p>SG also commented that a large drone frequently flies above their property. JH advised that the Kier drone only comes once a month to survey the site and does not fly above SG's property. JH suggested that the drone may belong to another business, or possibly railway engineers.</p> <p>RK asked that Kier and SUEZ set a good example locally with the lighting on site.</p> <p>JH advised that the lighting will be installed in accordance to planning.</p> <p>NS asked if 'paper overspill' would accumulate against fences or create a swamp at the perimeter of the site.</p> <p>AW advised that this scenario would not occur; paper will be tipped inside and litter picking forms part of the operating licence.</p> <p>NS asked whether plastic would be stored outside and expressed concern about the odour from plastic bales.</p> <p>AW advised that all bales would be stored inside and only emerge outside when being transferred to lorries.</p> <p>BS asked if the building was ventilated.</p> <p>AW confirmed that the ventilation system is designed to be sensitive to operators and, during normal operation, it won't be externally ventilated – other than for door operation.</p> <p>JC asked whether odour would be an issue.</p> <p>AW advised that under normal operation there will not be an issue with odour.</p> <p>SG commented that she didn't think that odour suppression systems that she'd seen before were that effective. SG cited a CERC visit as an example.</p> <p>SG asked whether there will be acoustic protection against the noise of glass – as that sound carries.</p> <p>AW advised that there is acoustic screening in the doors and that glass tipping will take place inside the building.</p> <p>JH continued to show drone footage and informed the group that the differing grey panels of the building were to mark different zones and also break up the surfaces.</p>	AW
--	---	----

	<p>BS asked whether rainwater was used for the sprinkler system. JH advised that the scale was too large.</p> <p>SC directs the group to the completion notes slide.</p> <p>AW talks through the slide and advises the group on photographs including: the baler, the sprinkler control valves, interior bays, vehicle washing area.</p> <p>SG asks where staff will park. AW shows an area at the top of the site.</p>	
5.0	Question and Answer Session (including questions submitted to Chair)	
5.1	<p>SC addresses question submitted via email regarding litter.</p> <p>JH and AW advised that it will be investigated and that it's possible the litter was created by another party. AW further advised that, ongoing, litter picking is part of the licence.</p> <p>RK asked what will replace the green perimeter fencing.</p> <p>JH advised that the fence will not be replaced, but parts will be added to it.</p> <p>AW advised that some of the fence has to retain visibility in accordance with Highways.</p> <p>RK suggested that the corner in question is a byway and that speed limits ought to be checked.</p> <p>AW confirmed that due processes have been followed and agreed by highways.</p> <p>RK asks when Kier are due to finish on site.</p> <p>JH advises December is the technical completion date, but checking and commissioning needs to take place before full handover to SUEZ.</p> <p>RK lodges for the record and appeals to SUEZ and Kier to consider awarding support / funding to Chacewater Parish Council for a number of ongoing projects.</p> <p>SG advises that Sawmills Lane is in a mess and that trucks looking for the site have made a mess of the road. She further advised that she and RS have diverted lost vehicles from her property. Furthermore, neighbouring businesses are parking on the lane and cutting through to other businesses via a kissing gate.</p> <p>It was discussed as a group that signage should be considered for the lane to advise speed and access.</p> <p>NS advised that hedge cutting has not taken place for a long time and that previous arrangements appear to have dwindled. NS advised that he would take on the job if a cutter could be purchased on his behalf.</p>	

	RK suggested this solution is inadvisable as many have shown willing in the past and failed to sustain a hedge cutting agreement.	
6.0	A.O.B	
6.1	An update was requested around the works ongoing at Wheal Peevor. VP will provide an updated briefing note to be circulated with the minutes.	VP
7.0	Date of next meeting	
7.1	28 January 2026	

Wheal Peevor Mine, Radnor, Redruth, TR16 4BH Grounds Maintenance Works

The works at Wheal Peevor form part of a 30-year formalised management plan and condition monitoring programme which will facilitate robust and sustainable outcomes for the habitats. Initial works are split over 5 years, with details summarised below.

Year 1 - Phase 1

Status; COMPLETED – November 2024 – February 2025

The initial phase of works focused on gorse removal and stump treatment and was completed during the above period to avoid bird nesting season. During the works multiple badger setts were observed and buffer zones were introduced to ensure these areas were not disturbed. We were also aware of a gated cave in the quarry area and due to the high likelihood of bats, a buffer zone has been maintained around the mine entrance to minimise noise and vibrations and safeguard the bats habitat. Gorse was not cut in these exclusion zones and monitoring will continue in the coming years.

Whilst these initial works did look severe, the objective was to expose bare ground, which will permit heather regeneration. It has also had the additional benefit of exposing old mine workings, thereby restoring the historic character embedded in this site, which for many years has been obscured by the density of the gorse.

Year 1 - Phase 2

Status; COMPLETED – September 2025

The second phase of works for year 1 is now complete and involved treatment works to control bracken and Japanese knotweed. The intention is to expose the bare ground and provide further opportunities for heathland regeneration.

Years 2 – 5

Status; Dates to be confirmed for works in 2026

Works in years 2-5 will focus on cutting and treating regrowth of the target species, as required to retain open glades. The 5-year plan will be reviewed at the end of Year 5 and rolled forward for the next 5-year period, along with detailed annual work plans, as needed, up to the end of the 30-year period.

In the long term these works will produce a far better habitat for animals and visitors alike. These illustrative pictures give an indication of what how the landscape will look over the coming years.

If you have any queries, please do not hesitate to contact the waste team;

**CORNWALL
COUNCIL**

My ref: 2026 Parking Order
Date: 8th January 2026

Dear Council,

2026 Off-Street Parking Places Order

Cornwall Council is proposing to make an amendment to the Off-Street Parking Places Order, and in doing so make some alterations to car park operations and charges. Attached is the formal notice which sets out the proposed changes.

If you have any comments to make on the proposals I would be grateful to receive them no later than:

4th February 2026

To respond to this proposal, you can either:

1. Visit our website - <https://letstalk.cornwall.gov.uk> once registered you will be able to submit your response.
2. Email Parking Services on parking@cornwall.gov.uk, quoting the above title and indicating your support or objection to the proposals.
3. Respond in writing using the attached Response Form, indicating your support or objection to the proposals and return it to the address shown at the foot of the form.

If you wish to discuss any aspect of this, please contact me.

Yours faithfully
 Joshua Macdonald

The Cornwall Council (Off Street Parking Places) Order 2026

Notice is hereby given that Cornwall Council proposes to make a new Order under Section 35(1) of the Road Traffic Regulation Act 1984, in accordance with Schedule 9 of the Act.

The proposed Order will revoke and replace THE CORNWALL COUNCIL (OFF STREET PARKING PLACES) ORDER 2024 (AS AMENDED) whilst also making the following amendments:

1. Vary the parking charges in all Cornwall Council chargeable car parks to increase charges either in line with inflation or specific amendments to support traffic management
2. Removal of the 2-3 hour tariff within all Long Stay Car Parks
3. Conversion of Tolcarne Road, Newquay to a long stay car park
4. An increase to the price of 'Reserved' Parking Permits to bring the product in line with current market value
5. Conversion of Trengrouse Way, Helston to a long stay car park
6. Conversion of Cattle Market, Liskeard into a Short Stay Car Park
7. Removal of Broadsyard, Downderry from the Order
8. Introduction of a motorhome prohibition to Commercial Road, Hayle
9. Reduction of the JustPark Wallet minimum spend to £35.00
10. Renaming of Tintagel Visitors Centre to Bossiney Road, Tintagel
11. Inclusion of Motorhome charges in the following Car parks:
 - Link Road, Padstow
 - Watergate Bay
 - Trenwith, St Ives
 - Wheal Leisure, Perranporth
 - Main, Fowey
 - Marazion Station
 - Gyllyngvase coach park, Falmouth
 - Seaton Bridge
 - Cattle Market Launceston
 - Victoria Square, Bodmin
12. Introduction of the following Car parks to the parking Order:
 - Ponsadane, Penzance
 - Gas Hill, Truro
- Wellington Road, St Dennis
- Clay Trails Nansladron, St Austell
- St Andrews Pond, Par
- Kit Hill, Callington
- Wentfordbridge, Bodmin
- Scarlets Well, Bodmin
- Poley's Bridge, Bodmin
- Helland, Bodmin
- Grogley halt, Bodmin
- Tuckinmill Pavillion, Camborne
13. Introduction of winter charges to the following car parks:
 - Gyllyngvase, Falmouth
 - Readymoney, Fowey
 - The Beach, Seaton
 - Watergate Bay, Watergate
 - Wheal Leisure, Perranporth
 - Albany Road, Newquay
 - Belmont Place, Newquay
 - Dane Road, Newquay
 - Tregunnel, Newquay
 - Par Beach, Par
 - Reppers Coombe, St Agnes
14. Introduction of charges to the following car parks:
 - Fairground, Helston
 - Hamleys Corner, Par
 - Helland, Bodmin
 - Howells Bridge
 - Kit Hill, Callington
 - Pensilva
 - Poleys Bridge
 - Scarlets Well, Bodmin
 - St Andrews Pond, Par
 - Tideford
 - Viewing Point North, Widemouth
 - Thancles Park, Torpoint
 - Wendfordbridge, Bodmin

This Notice is intended to provide an indication of the Order's provisions. A copy of the draft Order may be inspected at any Cornwall Council library (check locally for opening times) using the public access computers. Copies may also be viewed at – www.letstalk.cornwall.gov.uk

Representations (objection or support) to the proposed Order should be in writing and received by **4th February 2026** - addressed to: **Parking Services, PO Box 664, Truro, Cornwall, TR1 9DH**, to parking@cornwall.gov.uk or via the above website.
