Ms M Mantell
Ms L Akerman
Mrs C Peate

Town Clerk
Senior Library Officer
Deputy Library Officer
Library Assistant
Events Coordinator
Community Liaison Manager
Administrator

There were three members of the public also in attendance.

PART I – PUBLIC SESSION

The Town Clerk read the two statements from Redruth Town Council regarding respectful conduct and audio recording of the meeting. Cllr Allen and Redruth Town Council declared they were audio recording the meeting.

1669.1 To receive apologies for absence

Apologies were received from Cllr Broad, Cllr Cunningham, Cllr Morrison and Helen Bardle, Deputy Town Clerk.

1669.2 Members to declare any disclosable pecuniary interests or non-registerable interests (including details thereof) in respect of any item(s) on this Agenda
None were declared.

1669.3 To receive nominations for Chair of the Community Committee and to vote in the Chair for the municipal year 2026/27

Cllr Ellenbroek was seconded by Cllr Allen and received four votes (Cllr Allen, Cllr Ellenbroek, Cllr Jolly, Cllr Reeve).

Cllr Thomas was seconded by Cllr A Biscoe and received four votes (Cllr Barnes, Cllr A Biscoe, Cllr H Biscoe, Cllr Thomas).

The Mayor therefore had the casting vote and declared Cllr Thomas the Chair of the Community Committee.

Unanimously RESOLVED to accept Cllr Thomas for the Chair of the Community Committee.

1669.4 To receive nominations for Vice-Chair of the Community Committee and to vote in the Vice-Chair for the municipal year 2026/27

At a previous meeting Cllr Morrison had been nominated by Cllr Allen. There were no seconders for Cllr Morrison.

Cllr Ellenbroek was nominated by Cllr Barnes and seconded by Cllr A Biscoe.

Unanimously RESOLVED to accept Cllr Ellenbroek for the Vice-Chair of the Community Committee.

1669.5 Public participation session – to enable members of the public to put questions to the Council relating to any items on the agenda

1669.5.1 Mr Simon Morgan stated that through his CIC he wished to hold an affordable, accessible music and arts festival across Trefusis Park and Victoria Park,

attracting between 8-12,000 attendees. Part subsidised, the event would help address food poverty in Redruth, allowing residents the opportunity to enjoy a festival when they would otherwise potentially be priced out of participating.

The Town Clerk stated that she had already met Mr Morgan and she endorsed his idea, his experience and the focus on affordability. Mr Morgan will now work with Redruth Town Council's Community Liaison Manager to progress.

Cllr Ellenbroek suggested Mr Morgan work with other local providers: Food Troops, Cornwall Neighbourhoods for Change, Transformation CPR.

Cllr H Biscoe raised concerns about the immediate neighbours of the proposed festival, and road closures. Mr Morgan stated he would be working closely with residents to ensure their voices are heard and concerns addressed. He is working with a professional events company and contacts who have extensive experience in this matter.

1669.5.2 Mr Mikey Stevens stated that he was at the meeting on behalf of Ashley Sweet from Ginger's café on Bond Street. He wanted to thank Redruth Town Council for Murdoch Day and the Pride Event, which he described as an "absolute delight".

In addition, he wanted to raise the question of how a 'civility and respect' Town Council would help protect the interests of Redruth's LGBTQ+ communities going forward.

The Town Clerk, on behalf of Redruth Town Council and the Councillors, stated that they were individually and collectively hugely supportive of Redruth's LGBTQ+ community. They have a policy to *call out and drown out* all hate crime, and have recently made a statement to this effect at the Local Heroes Awards and on their website and social media.

Going forward, they will continue their commitment to work with Cornwall Pride and Redruth Pride on appropriate comms strategies and take advice, and when hosting events ensure they act in a dynamic way, and apply forward planning – for example including security, if deemed necessary.

The Town Clerk stated that they do not believe cancelling an event is a positive decision as it gives in to hate crime. She reiterated that if at all possible, this would be avoided.

Cllr Reeve raised the subject of a letter written by Roland Bray to call for a multi-agency meeting in Cornwall. The Town Clerk stated she would write to Cornwall Council to push for a response.

Cllr Allen stated that it would be a positive action to communicate with chat group moderators to ensure negative attitudes don't snowball. Cllr Reeve proposed that Redruth Town Council writes to Cornwall Council with regard to the above issue. Seconded by Cllr Barnes. UNANIMOUS vote in favour.

1669.5.3 Mr Zia Ur Rehman attended to watch the proceedings.

1669.6 To confirm the Minutes of the Meeting of the Community Committee held on 2nd February 2026.

RESOLVED by majority to confirm the minutes of the Community Committee meeting held on 2nd February 2026.

1669.7 Report from the Senior Library Officer.

1669.7.1 The Senior Library Officer took the Community Committee through the report that was distributed with the agenda.

The Town Clerk paid tribute to the hard work and dedication of the Senior Library Officer, particularly in securing the £56,000 Green Library Hub Grant.

Cllr Allen brought up the issue of the Civic Centre development as a wedding venue. The Senior Library Officer stated that there were issues such as the provision of parking spaces, as well as potential planning permission that needed to be addressed, and she was going through the requirements.

Cllr Allen also asked for clarification on the three accounts being used by the email and marketing platform MailChimp. The Town Clerk confirmed three separate accounts were required across the organisation.

Cllr Allen stated that there is the potential for abuse online with regard to the library focusing on environmental issues, which the Senior Library Officer noted. Additionally, Cllr Allen asked what the £56,000 grant would go towards. The Senior Library Officer confirmed the funds would support extra staffing, training and the creation of a mobile green hub that could be used for outreach.

Cllr Ellenbroek asked what digital items were lent out by the library. The Senior Library Officer confirmed that tablets and laptops can be lent through Cornwall Council's Digital Inclusion Hub, on condition that members of the public attend sessions with the library prior to receipt of the leant item.

1669.7.2 The report was noted.

1669.8 Reports from the Community Liaison Manager.

- 1669.8.1 The Community Liaison Manager took the Community Committee through the report that was distributed with the agenda.

Discussion took place on the investment in East End Park's play equipment. The Community Liaison Manager confirmed that children and parents would get the opportunity to feedback on plans during the Victoria Park Fun Day on Saturday 11th July. In addition, professional advice has been sought with regards to the layout of phasing of the park.

Cllr Ellenbroek stated that she wanted to know more about the Suicide Prevention Action group. The Community Liaison Manager stated she has been working with Healthy Cornwall. Redruth has a dedicated individual working in the area to develop a network action group across the town.

- 1669.8.2 The report was noted and Cllr A Biscoe paid tribute to the high quality and volume of work of the Community Liaison Manager, which the Town Clerk concurred with.

1669.9 Report from the Events Coordinator, on the work of the Communications Team.

- 1669.9.1 The Events Coordinator took the Community Committee through the report that was distributed with the agenda.

Cllr Barnes raised the issue of road closures during events, with concern for the emergency services having restricted access.

Cllr Allen believed more roads should be closed for future events to ensure public safety, a move that was also endorsed by the Town Clerk.

Cllr Reeve raised the issue of the need to have comms about the upcoming International Mining and Pasty Festival to maximise attendance. This was particularly important for possible attendees coming from Mexico. The Town Clerk confirmed she would send an official invite to those coming from Mexico, once the contact details had been received from Cllr Reeve.

Cllr Reeve noted that the Redruth Record would benefit from a review, and brought along the *What's on in Chacewater* magazine as an example. The Town Clerk confirmed that Redruth Town Council were having discussions about repurposing the Record, which will be brought to another meeting.

Cllr Jolly raised the issue of a stallholder being denied a place at the forthcoming Fun Day. The Events Coordinator, with the support of the Town Clerk, confirmed that they did not believe the animal euthanasia charity should be included in a

Fun Day, of which one element was a Dog Show due to the fact the stall bookings were full and there would be a more appropriate event for the charity to attend in the future.

1669.9.2 The report was noted.

Chair

DRAFT

REPORT FOR: Meeting of the Community Committee on Monday 5th October 2026

1.0 SUBJECT OF REPORT: To update the Committee on the work of the Redruth Library and Information Service

2.0 SUMMARY OF IMPLICATIONS

- | | | | |
|----|-----------|---|----|
| a. | Policy | - | No |
| b. | Financial | - | No |
| c. | Legal | - | No |

3.0 TERMS OF REFERENCE

- 3.1 To provide the committee with information of the work carried out by the Redruth Library and Information Service since the last report (6th July 2026).

4.0 REPORT

- 4.1 Below is a table of actions that were reported in the last Community Committee Meeting along with other projects assigned to the SLO.

Item	Update:
Digital Support	The sessions at the Job Centre have proved very popular with a number of referrals for individuals who have now started the Learn My Way programme supported through the Library. The Job Centre drop ins have paused for now whilst the current cohort works through.
Public Art Working Group	Ongoing. Additional information sent through to Cornwall Council regarding the site at the top of Fore Street, have requested a relevant contact point to continue discussions around artwork. Initial enquiry to Royal Mail returned as it being the responsibility of Cornwall Council. Following a Land Registry request another contact point for the Royal Mail head office has been identified and a written enquiry sent.
To consider licensing the Civic Centre as a wedding venue.	Paused until remedial works required through the Fire Risk Assessment process have been completed.
Library Newsletter	Paused until work on the communications strategy is complete.
SWRLS Workshops for ages 11-17	Funded as a result of a successful joint bid with Kresen Kernow. Three more workshops delivered over the summer (comics, screen printing and Pokemon). The songwriting workshop had to be rescheduled to October and this will be joined by a mobile phone film making workshop. Feedback has been wholly positive but the workshops are attracting the lower end of the age range we wanted to target.
National Year of Reading: 'Go All In'	We will be joining in the National Literacy Trusts Take Ten to Read campaign which this year has a record attempt for the most people reading online in 12 hours. Register here to take part Go All In for Take 10 to Read and set a new GUINNESS WORLD RECORDS™ title! National Literacy Trust
Green Library Hub	The project commenced in September and we have done a 'light touch' start to activities whilst start up meetings and briefings have been held with CILIP, Julias Bicycle and CAG Consultants.

	A community board has been set up in the Library inviting input on 'What is Climate Change', which will help inform future information displays. We have also run a social media campaign 'We love Preloved, as part of second hand September, inviting input from staff, councillors and the community. We are currently working with Julias Bicycle to schedule training for staff – some in person and some online. Two staff members have undertaken some practical creative skills training, delivered by Mitber CIC, to apply to some future activities. Looking forward, Green Libraries Week will run from 21st – 28th October. As part of that, the library is working with the Community Liaison Officer to host a 'How to Run a Repair Café' event and Seed Swap which take place on Saturday 24th October 1-4pm, in collaboration with Climate Action Partnership, Redruth, Cornwall Council and SUEZ. Over the next few weeks, we will be looking at future activities and scheduling across Quarters 2 and 3 of the project.
--	--

4.2 Cornwall Reading Challenge

The Cornwall Reading challenge launched on Saturday 11th July and completed on Saturday 12th September. A lot of preparatory work went into promoting the challenge ahead of it starting with visits to 11 infant and junior schools, as well as a visit with the Library van to Redruth School..

We had 426 finishers which is really positive considering the glorious weather we have had over summer. Out of all the Cornwall Libraries, Redruth Library has had the 2nd highest number of finishers, beaten only by St Austell.

In addition to all the children taking part (and their adults who support them), our CRC volunteers are an important part of our success with this. We had 17 volunteers, aged between 11 and 16 who dedicated a total of 378 hours this summer to help support our readers in completing the challenge.

4.5 Regular Events & Support Delivered by the Library or Partners

Digital Coach Appointments; Rhymetime; Lego Club; SEN Lego; Get Crafty; Social Mondays, Reading Clubs; Read Easy; Police Surgery; Veterans Hub; Writers Club, Healthy Cornwall. Community Energy Plus & Southwest Wate, Active Plus and Cornwall Gateway.

4.6 Special Events

In addition to the SWRLs workshops over the summer we have also offered the following:

- Wonderful Wednesdays: a series of fun, literacy-based activities following the theme of the Cornwall Reading Challenge, culminating in the final event at St Rumon's gardens with a special guest appearance from the hungry caterpillar.
- Cornish language taster session aimed at children.
- Emma McCann illustrator workshop, where children learnt to draw the CRC characters.
- Author event with Laura Marlow (adults).
- Tracy Curran Author event with Storytime (young children).
- Camera Obscura workshop, delivered by Mitber CIC courtesy of Redruth Town Council grant funding (adults).

We have also co-hosted the first of four mental health and wellbeing workshops, in collaboration with Healthy Cornwall. Over the next couple of months, the following workshops will be open to members of the community, aged 16 and over, to book:

- Understanding and Managing Stress
- Mindfulness, Meditation and Sleep Education
- Menopause and Mental Health
- Men's Health Unpacked

4.7 Outreach and External Engagement

As well as school visits to promote the Cornwall Reading Challenge, we took the Cornwall Libraries van to Redruth School to meet first year students and encourage them to join the library.

In addition to running activities in the Library on festival days, we also went out on location. First to the Victoria Park Family Fun Day, again with the Cornwall Libraries van, to promote the library and the CRC. We also attended Youth Fest helping support activities on site which proved very popular.

We attended the Carn Brea Family Fun Day, with the Cornwall Libraries Van, to offer an oasis of calm amongst lots of boisterous activities. As this event draws a wide crowd it is an opportunity to also promote Redruth Town Council and the upcoming festivals.

Digital Inclusion outreach sessions took place at Bethels Larder (continue weekly), CN4C and Job Centre (currently on pause whilst current cohort work through the learn my way programme).

4.9 Cessation of the Cornwall Education Library Service

Launching in November, there will be a 'School Library Card' for Cornish primary schools to loan books directly from public libraries, for free, as per the public. The previous Education Library Service has now ceased operating and this new model is replacing it, removing the barrier of cost for schools. It is hoped that it will increase interactions for local libraries with schools, encourage visits by families, and reinforce the work done with families (by local libraries) during the Cornwall Reading Challenge.

4.8 Recommendation

To note and accept the report of the Senior Library Officer.

Josie Turner, Senior Library Officer

REDRUTH TOWN COUNCIL

REPORT FOR: Meeting of Community Committee, 5th October, 2026

SUBJECT OF REPORT: To update the committee on the work of the Community Liaison Manager

SUMMARY OF IMPLICATIONS

- a. Policy - No
- b. Financial - No
- c. Legal - No

1.0 TERMS OF REFERENCE

- 1.1 To provide the committee with information on the work carried out by the Community Liaison Manager.

2.0 REPORT

Agenda Item Number:	Topic / Theme:	Update
2.1	Strategic Plan and Resident Survey	The resident survey findings were summarised in the <i>At a Glance</i> booklet, which was printed in July and distributed at the Local Heroes event. A full report will be published on the new Redruth Town Council website. Work on the Council's Strategic Plan has continued, with two Member engagement sessions completed and a third scheduled for 5 October. A draft plan has been produced and a further feedback session is planned.
2.2	Emergency Plan	A tabletop emergency planning exercise was held on 29 September, involving Town Council staff and community representatives. Twenty-five people attended, which was really positive. This represents a significant increase in engagement, for this important piece of work. Flood

		Warden training is now being arranged to support the completion and submission of the Community Emergency Plan. A Member briefing will be held prior to formal submission.
2.3	Volunteer Network Directory	The directory will be distributed at the Annual Town Meeting. Work is ongoing with the website designer to ensure the same content is published on the new Redruth Town Council website.
2.4	Youth Council	Youth Fest was successfully delivered and received positive feedback from the Youth Council. Support is currently being provided to Youth Councillors through training on roles and responsibilities, alongside work to develop their programme of activity for the coming year. A working relationship has also been established with Camborne Youth Council to explore opportunities for collaboration on projects and events. A 'Meet Your MP' session is planned for November at the Civic Centre, with invitations being extended to the home-educated community and Curnow School.
2.5	Community Liaison	Ongoing liaison and partnership work has included attendance at a range of community meetings and events, including Victoria Park Fun Day, Local Heroes, the Nudge project visit, a cross-agency meeting on the rise in hate speech online, and the Mining Villages Regeneration Group (MVRG) quarterly meeting .
2.6	Festival Changemakers	The Changemakers pilot has concluded and entered the evaluation phase. The evaluation process is currently being developed and will include feedback from both participants and staff to assess delivery, outcomes and the project's contribution to increasing inclusion.
2.7	Food resilience	A Food Resilience Working Group has been established and is being led by a community member who participates in the Climate Action Partnership.

		The group has identified three priority areas: asset mapping to support emergency planning, development of a Redruth seed bank, and community engagement and education activities.
2.8	Climate Action Plan	The Carbon Audit of the Civic Centre was completed in August. This gives us a valuable benchmark. A Carbon Audit of the Facilities Team is scheduled as the next stage of this work. When the work is concluded I will share this at a future meeting.
2.9	Climate Action Partnership Redruth	As part of the Cornwall-wide Local Area Energy Plan programme, two community members facilitated a Local Area Energy Plan conversation on behalf of the Climate Action Partnership. The Food Resilience Working Group is now operational, and a <i>How to Run a Repair Café</i> event will be held at Redruth Library on 24 October. The event will provide information, guidance and signposting for residents interested in establishing a Repair Café in Redruth, following a request raised through the Climate Action Partnership.

3.0 RECOMMENDATION

It is recommended that this report is noted.

Lucie Akerman – Community Liaison Manager

REDRUTH TOWN COUNCIL

REPORT FOR: Meeting of the Community Committee on Monday 5th October

1.0 SUBJECT OF REPORT: To update the Committee on the work of the Communications Team

2.0 SUMMARY OF IMPLICATIONS

- | | | | |
|----|-----------|---|----|
| a. | Policy | - | No |
| b. | Financial | - | No |
| c. | Legal | - | No |

3.0 TERMS OF REFERENCE

- 3.1 To provide the committee with information on the work carried out by the Communications Team.

4.0 REPORT

4.1 Actions

Item	Update:
Victoria Park Fun Day	The Events Coordinator worked with the Friends of Victoria Park to coordinate the Fun Day, which took place on Saturday 11th July. Activities included Live Music, giant games, an assault course, a library van, circus workshops, craft workshops, food and drink and charity and community stalls. Unfortunately, due to the extreme heat, the dog show had to be cancelled to ensure the animals' safety. The Events Coordinator will work closely with the Friends of Victoria Park to coordinate the 2027 Fun Day.
Youth Fest	The second Youth Fest successfully took place on Saturday 1st August. The Youth Council played a vital role in deciding the event's programme. Youth Fest offered a diverse programme of creative, cultural, sporting, musical and wellbeing activities for young people and the wider community. The festival was supported and funded by the National Lottery Community Fund. Sport activities included circus workshops and demonstrations, skateboarding and coaching, and an 8m climbing wall. The Skate Jam was particularly successful in engaging children of all ages in the competition and tutorials. Music was a significant part of the programme, with 7 main-stage slots running from 11.30 am through to 6.00 pm, featuring DJs, solo musicians and bands; all musicians were under 25. The programme also included a Silent Disco, supported by a playlist developed with involvement from the Redruth Youth Council. The creative programme is particularly varied, with opportunities including collage and craft, cyanotype photography, willow weaving, friendship bracelet

	making, upcycling clothes workshop and tote bag decoration. All workshops were free and drop-in throughout the day. The event also incorporated a dedicated wellbeing provision through a chill-out tent operated by Shallal, providing a quieter space for young people who may need time away from the main festival environment. Feedback from a community stall: <i>"Huge thank you to the Redruth Town Council team for putting on such a brilliantly organised (and seriously vibrant) *Youth Fest* today. Everything ran so smoothly that we almost forgot we were at an event... and not watching a professionally produced festival unfold in real life.</i> <i>We were genuinely so pleased to be part of it — the atmosphere was fantastic, the energy was spot on, and it was lovely to see so many young people and families out enjoying themselves. **The crafts and circus skills were amazing too** (we're still debating whether we're more impressed by the juggling or by the patience involved!).</i> <i>Thanks again for all the hard work behind the scenes — and for creating an event that felt welcoming, positive, and full of community spirit. We'd be delighted to be involved again next time."</i>
Redruth's International Mining and Pasty Festival	Redruth's International Mining and Pasty Festival took place the weekend of 11 September; the weekend included Friday's Smoking of the Stacks walk, Saturday's celebration day, and Sunday's memorial walk and service. The programme was designed to celebrate Redruth's mining heritage and its connections with the wider Cornish diaspora, while offering a varied programme of cultural, creative and family activities. Friday started the weekend of celebration with the Smoking of the Stacks. Cobweb Tours led a historical storytelling walking tour from Redruth town centre. Wheal Uny Mines were smoked in red, blue and green, representing Redruth's twinned towns. Richard Trethewey and the Redruth Festival Band added to the atmosphere. Truro City of Lights team Bal Maiden also joined the evening. The atmosphere buzzed with lots of photo opportunities. Cornish Walking collaborated on a video with Discover Redruth; this video has now had over 350k views and over 9500 likes. Making it our most popular video on social media. On Saturday, music, live performances, workshops, exhibitions, historical talks/tours and market stalls filled the town centre, creating a vibrant atmosphere for residents and visitors alike. 16 performances took place with an estimated 121 performers across the town. There were eight partnership venues; these included: - The Ladder - Redruth Library - The Buttermarket - The Artroom - Hatters Coffee shop - Bond Street - Kresen Kernow - CMR Project space

Remembrance Parade	Redruth Town Council and staff are once again supporting the RBL Remembrance Parade which takes place on Sunday 8th November. Road closures will be in place. Victoria Park will see the wreath laying ceremony and two minutes silence. The parade will then finish at St Andrew's Church.
Redruth Charity Christmas Grotto	Given the success of the grotto and activities last year in the Civic Centre, it has been decided that it will again be hosted in the building. Mineral Point meeting room will be transformed into a Winter Wonderland, with the Library space allowing participants to spend time enjoying Christmas themed activities before meeting Father Christmas.
Festival Schools Coordinator	Following the recommendation made in the Festivals Report, a schools coordinator has been recruited. Amy Webb has started work and is already contacting schools regarding the Redruth in Lights parade.
Marketing Coordinator Update	July, August and September largely focused on delivering and supporting communications around the Festivals, including event promotion, live and reactive social media content, photography and video, visitor information and post-event coverage. In particular, the International Mining and Pasty Festival generated some of Discover Redruth's strongest social media results of the year, particularly across Facebook and Instagram. The Smoking of the Stacks was live streamed on Facebook and attracted over 9000 views. In addition, work has continued on Festival Guides and the latest edition of the Autumn edition of the Redruth Record, including gathering and editing event listings, working with local organisations and venues, sourcing imagery and preparing content for publication. Other work has included promoting upcoming council meetings and community information, maintaining and updating website content, producing the July, August and September Wasson Redruth listings, supporting communications around the council website outage, and beginning promotional planning for the Annual Town Meeting and Remembrance Sunday Parade.
