##### 3.1 *CIL fund open*

The fourth CIL Fund round opened on Friday 1 March 2024, enabling the following groups to bid for between £20,000 and £100,000:

- constituted community groups, including local councils, and
- not for profit organisations.

Funding is available to support local infrastructure projects which help to either:

- alleviate the impact of development on an area, or
- help development to come forward.

Any eligible group or organisation that would like to apply for CIL funding, needs to submit an Expression of Interest form. This needs to be submitted **by Tuesday 30 April 2024**. Projects that are considered suitable for CIL support, will then be invited to submit a full application. Groups and organisations will be given a further four months to develop this. Successful projects are expected to be announced mid-December 2024.
